

Benalla P-12 College Newsletter

Principal-Barbara O'Brien

Dear Families,

Farewell Malcolm Stewart

Malcolm commenced working for the Department of Education at Benalla West PS approximately 15 years ago. He started first as an integration aide but his skills with finances were quickly identified and he was moved into the role of Business Manager. When Benalla P-12 College commenced, Malcolm took on the role of Facilities and Maintenance Manager and Bus Coordinator. This is a very complex role and I would like to sincerely thank Malcolm for the many hours of work he has done during school hours and outside school hours. He has always made himself available and willingly gone to campuses at night and on weekends to address a problem that has occurred unexpectedly. I would like to sincerely thank Malcolm for his dedication to the maintenance and care of our college facilities, he will be sorely missed. Malcolm will commence long service leave before he retires on 14th July this year. Best wishes Malcolm we hope you enjoy time with your family and the next phase of your life.

College Expo 2017

Our Whole College Expo will be held on **Wednesday 15th March**. The evening will consist of displays, demonstrations, hands-on-activities and information sessions.

- The Avon and Waller St Campuses Expo evening will commence at 5:00pm and conclude at 6:30pm
- The Years 5 to 12 Campus Expo evening will commence at 5:30pm on the Faithfull St Campus and conclude at 7:00pm

The theme for this year's Expo is, **"Good Vibes"** with a focus on maths

Welcome Indonesian Teacher Yustinus Maksimilianus Dhey Nesi

We would like to welcome Puk Yustin who teaches Science in Year 7 and Art in year 9. He has been teaching since 2010. He is interested in learning more about Explicit Teaching and Real Life Learning at Benalla P-12 College. His hobbies are Music and Science especially physics. We hope he has a very productive and enjoyable time at Benalla P-12 College.

Master Plan – Stage 1

Stage 1 of our Master Plan includes the new Year's 10, 11 & 12 Hub, a new Technology/ Skills Hub, a Visual Arts Studio and Art Viscom studio. We are now getting closer to finalising the interior design of the Years 10, 11 & 12 Hub that will be built on the Faithfull St Campus. This is due to commence mid-way through this year.

School Council Elections

All government schools in Victoria have a school council. They are legally constituted bodies that are given powers to set the key directions of a school within statewide guidelines. In doing this, a school council is able to directly influence the quality of education that the school provides for its students.

Benalla P-12 College's School Council is comprised of 8 Parent Members, 5 DET (Department of Education and Training) Members and 2 Community Members.

School Councillors are elected for a two-year term. School council must meet at least 8 times in each year, and at least once per school term.

Parents on school councils provide important viewpoints and have valuable skills that can help shape the direction of the school. Those parents who become active on a school council find their involvement satisfying in itself and may also find that their children feel an greater sense of belonging.

This year there are 6 Parent Member positions vacant and 2 DET member positions vacant.

Our current School Council members and their end of term dates are:

Name	Member Category	End of Term date
Sheryl Stubbs	Parent Member	March 2017 - two year vacancy
Anita Larkin	Parent Member	March 2017 - two year vacancy
Leanne Lefebvre	Parent Member	March 2017 - two year vacancy
Vacant Position	Parent Member	Two year vacancy
Stephen Lister	Parent Member	March 2018
Samantha Mahoney	Parent Member	March 2018
Maran Hazell	Parent Member	March 2018
Michael Plex	Parent Member	March 2018
Alison Schneider	DET Member	March 2017 – two year vacancy
Deborah Robinson	DET Member	March 2017 – two year vacancy
Richard Hubbard	DET Member	March 2018
Heather Leary	DET Member	March 2018
Vacant position	Community Member	March 2017 – two year vacancy
Vacant position	Community Member	March 2017 – one year vacancy
Barbara O'Brien	Executive Officer (DET)	

I am therefore calling for nominations for 4 Parent Members which are all two year positions

I am also calling for nominations for 2 DET members – both positions are for two years.

Once these members are elected they have the responsibility for co-opting 2 Community members onto Council. Members of this category are appointed by a decision of school council because of their capacity to assist the work of the council.

Nomination forms can be obtained from each Campus Office.

- Nomination forms must be lodged at your Campus Office by **4:00pm on Monday 27th February 2017.**
- If a ballot is required, the list of candidates will be posted up at each campus on **Wednesday 1st March 2017.**
- The ballot will close at **4:00pm on Wednesday 8th March 2017** nomination forms can be obtained from each Campus Office.

Best wishes for the week ahead.

Barbara O'Brien

Hermit Crabs

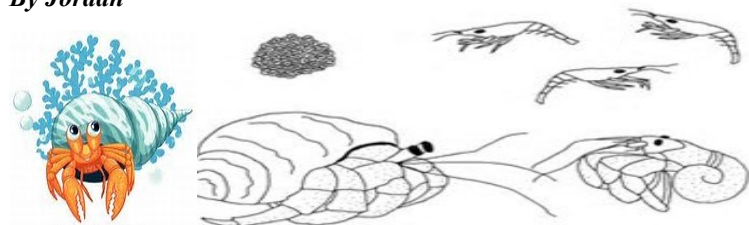

For the last two weeks, students in Years 3-4 at Avon St Campus have been fortunate to have had Ray Scott visit their bilingual science classrooms and share her knowledge of Australian Hermit Crabs and their lifecycles. The science room has been abuzz with questions about hermit crabs and the students have thoroughly enjoyed this study. Each Year 3-4 class is currently decorating a board to have on display on Expo Night. Here are some of the interesting facts recounted by the students:

The hermit crabs from Australia are white. Hermit Crabs have 10 legs. There are over 1100 species in the world. If you give hermit crabs chocolate they will die. Hermit crabs change their shells when they get too big for them. They mostly live in tropical areas. Hermit crabs are smart and they choose the shell that is just right for them. By Cooper James

Hermit Crabs are omnivores. They eat fresh fruit, seaweed and so many other things. Hermit crabs change their shells because if they have the same shell for many years, the shell will be too small for them. Painted shells are not allowed for crabs because they can eat the paint and die. Hermit crabs lay tiny eggs. Hermit crabs are nocturnal. By Audrey Walker

Hermit Crabs change their shells yearly. Hermit crabs burrow under the sand under its cold. Hermit crabs live in the wild for up to 15 years and as pets they can live up to 30 years. Hermit crabs live in tropical conditions. Hermit crabs need their shells for protection. Hermit crabs will take other hermit crabs' shells for safety. By Kaylee Boer

Hermit Crabs swap shells. They eat almost anything. They steal shells. They are smart. It takes a lot of responsibility to look after a hermit crab. By Jordan

Avon Street Parents & Friends Association Meeting Friday 3rd March 2017 9.00am

Please join us on Friday for a cuppa and a chat. We are seeking parents and friends to assist with fundraising for the 2017 year. If you could assist or share some ideas your input would be greatly appreciated. This is a great opportunity to be involved with your school and meet new people.

We look forward to seeing you there.

Students of the Week!

Congratulations to our students of the week from L-R Paige, Hayley, Lachlan, Charlie and Amelia

 A reminder to parents to make sure they have the up to date Pink Shop price list.

WANTED

Rosie our wonderful gardener who volunteers all her spare time making our gardens beautiful is seeking empty garden pots. If you can assist please bring them to the office.

STAFF CAR PARK

In the interest of student safety, we ask that parents and carers refrain from parking in the staff car park.

We have an emergency access point located in the staff car park which must remain free for ambulance, police and fire trucks to access in the case of an emergency.

Thank you for your attention to this.

Golden Shovel Award Winners

Max H, Archie, Sam, Jakayla, Tazi and Nicole

Students of the Week

Back: Thomas, Cooper, Mia

Front: Liam, Torah, Lacey, Willow, Levi

Garden Glory!

The year three/fours at Waller have started their work in the garden. Following the hot weather that ruined the corn for cooking, they have been stripping husks to use as seeds for our next crop! The warmer weather did help with ripening tomatoes, and this job made sure that luscious yellow pear shaped tomatoes were cooked into tarts this week and they were yummy!!! Of course some watering had to be done to protect the crop, so watering cans were very helpful. We are all ready for Friday's labour of love in our garden!

EVERY DAY COUNTS

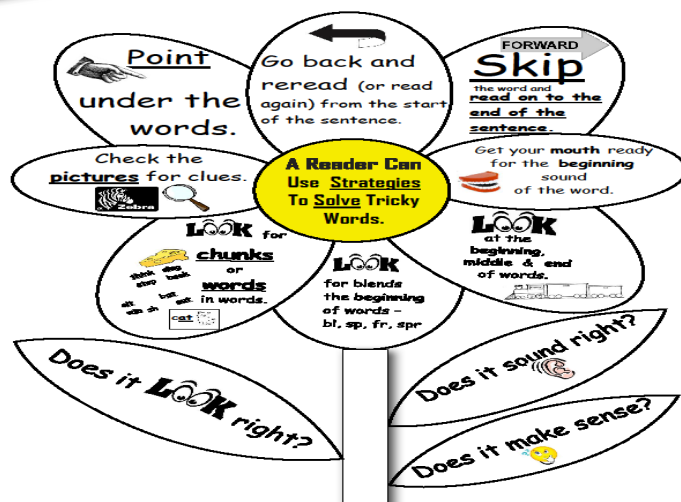

A reminder to parents to make sure they have the up to date Pink Shop price list.

Waller St School Photos 2nd March 2017

Students and families are reminded to return their photo envelopes with correct money enclosed and give to the photographer on the day of School Photos.

Family photos are also available on the day.

Please DO NOT return School Photo envelopes to school prior to School Photo Day.

TOMORROW TODAY

BENALLA P-12 COLLEGE

YEARS PREP-4

Parents As Partners in Learning

Term 1, 2017

Parents as Partners in Learning Workshops

<u>Waller Campus</u>	<u>Avon Campus</u>
Tuesday 7 March 2017 2pm-3pm Kate Hammond's room	Thursday 9 March 2pm- 3pm Prep classroom
Tuesday 14 March 2017 2pm- 3pm Kate Hammond's room	Thursday 16 March 2017 2pm- 3pm Prep classroom

Parents as Partners is a series of two workshops run by Tomorrow Today and our reading recovery teacher, Mandy Brown. The workshops are designed to support families in helping their child with reading, writing, speaking and listening, homework and organisational skills.

"How can I help my child with their learning?"

"What tips do you have for helping my child be more organised?"

"How can I help my child with their homework?"

Afternoon tea supplied.

Babysitting available for toddlers if needed.

Every School Day Counts

Attend today, achieve for a lifetime!

Swimming Lessons

The 5/6 classes have had some great fun in PE lessons improving their swimming skills. We are incredibly lucky here at the Faithfull Street campus to have access to the pool and it has been great to see so many students actively participating in their swimming lessons. Some students have been a little unsure about it and may have 'forgotten' their bathers. But after seeing how much fun everyone else was having, and with the help of a few warm days, most students have overcome their hesitation and joined in with great enthusiasm!

Parent Helpers

Research has shown that students perform best when relationships between school and home are strong. We love it when parents drop in to say hello before or after school and if you have a few spare hours in the week and would like to volunteer some time to spend with your child's class, speak to your child's teacher. The students love to have other adults in the room and enjoy the opportunity to chat to different adults other than their teachers.

Ms Foy's parents Sharlene and Gavan, dropped by this week, to work on our maths fluency tasks and to share their experiences with reading in 5/6C. Sharlene spoke about times when she had found reading challenging and what strategies she had used, while Gavan spoke about how useful he'd found maths during his days as a gas tanker driver. Both were very impressed with the friendly welcome they received by the students.

STUDENTS OF THE WEEK!

Congratulations Maddison, Maddie, Imogen, Annabelle and Alia

Sports Award

Sports award winners for weeks 2 and 3 were Jet, Bayleigh, Cooper, Blake, Michael, Campbell, Imogen, Molly, Donte, Liam, Zach, Thomas, Montell and Charlie Rose.

Sports team leaders

Pictured left are our sports team leaders: Cameron, Molly, Nicole, Michael, Riley, Cody, Cooper, Kyle T, Tyler, Kayla, Cheney and Charlize.

Year 7 Music Recruitment – Thursday, 16th March, 7pm

On Thursday, March 16, 7pm our annual Year 7 instrumental music information and recruitment night is on. This is at the Performing Arts Centre at Faithfull Campus. To participate in our amazing instrumental music program, it is essential to be at this night.

There will be a short performance by our most experience band, the Symphonic Band along with an explanation about this special opportunity to learn music.

What makes this so great, is that music lessons are free to students.

The night concludes with registering a place in the 2017 Year 7 Band.

If you have any questions about learning music or the program, please don't hesitate to contact Barry Roberts, 57612777 or roberts.barry.a@edumail.vic.gov.au.

School Vaccination Program: Benalla P-12 College

The first round of school vaccinations is being conducted at this school on **Friday 3 March 2017**.

YEAR LEVEL	VACCINES OFFERED
YEAR 7 MALE & FEMALE STUDENTS	GARDASIL (HPV) DOSE 1 OF 3
YEAR 7 MALE & FEMALE STUDENTS	BOOSTRIX (Diphtheria, Tetanus, Whooping Cough) 1 DOSE ONLY

These vaccinations are funded on the National Immunisation Schedule. Should your child miss out on starting their vaccination course this year they will not be eligible to receive them for free in subsequent years.

Parent information packs were sent home recently.

The consent card (Part A) must be completed, signed and returned to the school even if your child is not being vaccinated.

To consent to your child being vaccinated with one or more vaccines, please tick and sign the relevant **YES** sections of the consent card. If you **DO NOT** wish to have your child vaccinated with one or more vaccines or if your child has **already been vaccinated**, please tick the relevant **NO** section on the consent card and return them to the school by **Friday 17 February 2017**. Please return the card to the school even if your child is not being vaccinated.

If you have any enquiries about the program or your child's vaccinations, please contact Wodonga Council's

Immunisation Team on 1800 655 360.

2017 VCE Vet Sport & Rec Torquay Surf Camp

On the 15th of February 2017, 19 Yr 12 VET Sport & Rec students from Benalla P-12 College were crawling out of bed before the sun had presented on the horizon. It was time for the annual pilgrimage to Torquay for three days of frivolity in the surf and on the beach.

The class headed off down the Hume Freeway for the four hour bus trip to the Torquay Surf Life Saving Club. As soon as we arrived, students went straight into conducting their own sport & recreation beach sessions with the rest of the class. Prior to going on the camp, each Sport & Rec student developed their own beach activity that they would conduct on the beach. Some of the sessions students planned to take included beach cricket, ultimate Frisbee, touch rugby, flag races and beach soccer. All students were assessed on running these beach sessions over the 3 days spent on the camp.

In the afternoon, students then went for a 2 hr surfing lesson with the company, GORIDE A WAVE. Most of students were attempting to ride their very first waves. All students battled hard and before long, were all able to stand up on some average sized waves.

To finish off the day, we went out to watch the sun set at the famous Bells Beach.

Over the next few days, with the surf conditions on the improve, students engaged in two more surf sessions to hone their developing surf skills plus a session of sea kayaking. A great trip was had by all, however, everyone was looking forward to a well-deserved rest after an action packed week.

Luke Elkington (VET Sport & Recreation teacher)

TAKE A STAND TOGETHER **BULLYING. NO WAY!** www.bullyingnoway.gov.au

Writing in Maths

When students are working in Maths, they often think that there is no connection with other subjects they are studying; "it's all about numbers and getting the right answer!" is often heard. On the contrary, there is lots of overlap with many other disciplines. It all depends on how hard you look.

In this year 10 Maths class, I asked students to write a piece to describe the sequence of events that they would follow to arrive at the final answer. It might seem trivial, but it certainly focusses the attention on how someone would explain their answer to others.

The writing component highlights a typical sequence genre for following directions or following instructions.

This is quite a good example of the genre written for a Maths class; who said that subjects don't collide.

Mr Gerard Vitti (Year 10 Maths)

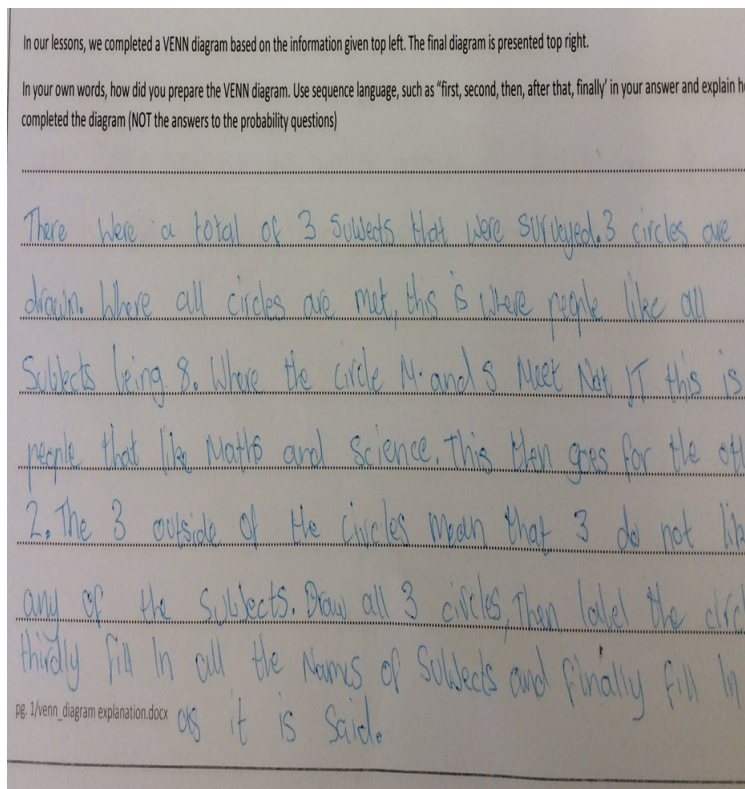

School photos at Barkly

Thursday 2nd March

Envelopes with correct money needs to be given to the photographer on the photo day.

Family photos are also available on the day

Students are required to wear the correct uniform for photos.

Careers News and Tips – Barkly Street Campus

Year 12 Students – time to start planning!

- For students wanting to attend University, now is the time to be researching courses and planning to attend information sessions, open days and enquiring about scholarships, accommodation options and more. It is a good idea to contact the University Course Counsellors to discuss courses in detail and job prospects once the course is completed.
- The **VTAC website** is a fantastic starting point and allows students (and parents!) to explore the different courses and where they are offered. Please read carefully – some course require interviews and portfolios. Some courses offer bonus points for certain subject and many courses require that students get a minimum study score of 25 in English. Understanding the selection criteria and prerequisites is very important.
- All Year 12 students must have a CAP's plan that is up to date including a current resume. Portfolios are kept in the Careers room and can be accessed by students at any time.
- La Trobe University**
For students interested in going to LaTrobe University next year, please see the attached calendar of events for 2017.

School Based Apprenticeship available

-Reece Plumbing (Certificate III in Retail)

-Benalla Golf Club (Certificate III in Commercial Cookery)

Please see Molly Craig or Mrs Cairncross in the Careers room for further information.

TRAINEESHIP OPPORTUNITY

AFL Sports Ready currently have a part time (3 days per week) traineeship available in Benalla working with Robyn Smith (CEO of Sport Inclusion Australia). This traineeship would suit a recent school leaver who is interested in Business/Sport Management as a potential career pathway.

Please contact Mrs Cairncross (Careers Co-coordinator) for more information. More information is also available at the link below.

<https://www.aflsportsready.com.au/jobs-board/victoria>

Victoria Police - All Roles Information Session, Wodonga

Tuesday the 28th of February 6.00-7.30pm Learn more about the different career paths within Victoria Police and hear more about the eligibility requirements and the recruitment process. Hear from Wodonga Police Officers and Police Custody Officers about what it's like to work for Victoria Police in a regional town like Wodonga. Our recruitment team will also be on hand to answer all of your recruitment process questions. Registrations will open at 5.30pm for a 6pm start. Register online.

**Is your child struggling being back at school?
Are they more emotional and defiant than normal?**

Do you want to learn more about your child's development?

We are coming to Benalla.....

FREE - TUNING INTO KIDS PROGRAM

Tuning into Kids – is a five week program that supports parents to become more aware of their child's emotions and its impact. Parents learn how to develop an ability to label and understand their child's emotions and how to support their child in learning to regulate these emotions. Parents are therefore able to use their children's emotional experiences as an opportunity for connecting, teaching and problem solving.

PACTS

Parents As Career Transition Support

Would you like to feel more confident in helping your child with subject choices for Years 9 & 10?

Would you like to learn more about all the career options available?

PACTS Workshops have been running in Australian secondary schools since 2002, with parents saying they are really helpful in understanding the different options.

2 Workshops are run over 2 consecutive weeks and include the following topics:

- * How to assist your teen with career exploration
- * Simple careers assessments
- * What are HSC & VET pathways?
- * What career resources are out there?
- * Understanding TAFE, Apprenticeships and University
- * Understanding school-based Traineeships
- * Can we afford university?

Dates for the Term 1 workshops are:

- * Wednesday 22 March 2017 7pm to 9pm
- * Wednesday 29 March 2017 7pm to 9pm

Venue:

Ray Sweeney Centre, Benalla Community Care
45-53 Coster Street, Benalla.

Places are limited to 18 so you **MUST** book in by calling Tomorrow Today 5762 1211

TOMORROW TODAY

Brotherhood
