

# Benalla P-12 College Newsletter

Principal-Barbara O'Brien

Dear Families,

## Faithfull St Canteen

The Faithfull St Canteen was closed last Friday for the remainder of this term as a result of Julie Dansey accepting a new job and CMS ceasing their contract. We are very fortunate however to be able to appoint a new contractor who will manage the canteen. Kelly Freeman has been successfully appointed and will commence operating with a new menu on Monday 9<sup>th</sup> October. **Students will not be allowed to leave the school grounds to attend the shop in Faithfull St so please ensure your child brings their lunch to school each day until the end of term.**

## Hairdressing Pamper Night

Last Tuesday evening Helen Roscoe, Bec Levy and our hairdressing students conducted 'A Girls' Night' for rural women. This was a highly successful evening with a huge crowd in attendance to enjoy being pampered by our students. The evening involved hairdressing, nail painting, hand massages, yoga exercises and a great deal more, including supper. I would like to congratulate and sincerely thank Helen Roscoe for her exceptional planning of the night and the way in which she trains our students. There were many compliments about the way in which our girls conducted themselves and made their clients feel so welcomed and at ease. This was a wonderful night that was planned in partnership with the Rural City of Benalla.

## School Uniform Shop

With the Faithfull St Hall being demolished over the holidays, it is necessary to relocate the uniform shop to **Room D1** on the Faithfull St Campus. There will be signs posted to assist you to locate the room where it will now operate from. The next date for the uniform shop is October 11<sup>th</sup>, 3:00pm to 6:00pm

## Uniform reminder – High Expectation and Respect

We are really pleased that the majority of our students are in full uniform. It makes it so much easier for staff if they don't need to begin lessons by having to approach individual students about their uniform.

Our expectation is that all students are in full school uniform at all times. This is for a variety of reasons including:

- It gives our students a sense of identity and allows them to be recognised in the wider community; wearing our school uniform presents our students in a unified and positive manner.
- Wearing the uniform correctly prepares our students for the workplace where often uniforms and dress codes are implemented stringently.
- We have high expectations of our students' learning. Part of this is wearing full school uniform as this signifies that our students are ready to learn.
- Being in the correct uniform eliminates the need for staff to approach students in a way that is often perceived as negative and allows them to focus on their core business, teaching and learning.

If for some reason your son/daughter is out of uniform for a particular reason, please supply a written note. There are items available to borrow on a daily basis. This can be done by talking to the Sub School. Students are asked not to wear hoodies or footy tops to school as these are not part of our uniform. ***There are also a number of students that Are wearing black track suit pants. These need to be Navy blue.***

## Sun Smart

It is really important that students are making sure they protect themselves from the Sun and UV rays by wearing a hat outside and by staying in the shade where possible. All students are encouraged and required to do this. From the 1<sup>st</sup> September, students are to wear hats in the yard at recess and lunchtime.

## Long Service Leave

I am currently on Long Service Leave until the end of term. Paul Challis will be Acting Principal in my absence.

Best wishes for the week ahead

### School Immunisation Program: Benalla P12 College

The third round of school immunisations is being conducted at this school on Monday 18 September 2017.

The following vaccines will be offered on this day:

YEAR LEVEL	VACCINES OFFERED
YEAR 7 MALE & FEMALE STUDENTS	GARDASIL (HPV) DOSE 3 FINAL DOSE

These vaccinations are funded on the National Immunisation Schedule. Should your child miss out on starting their vaccination course this year they will not be eligible to receive them for free in subsequent years in the school program.

Consent cards should have already been signed and completed for these vaccinations earlier this year.

If your child missed the first or second dose please contact council's immunisation team on 1800 655 360 to obtain a consent card. The first or second dose can be given to students at school and students must then attend a council immunisation session or their GP to complete the course.

If your child has been vaccinated elsewhere and you have not already done so, please notify council's immunisation team on 1800 655 360.

If you DO NOT wish for your child to receive any further vaccinations or if you have any enquiries about the program or your child's vaccinations, please contact Wodonga Council's Immunisation Team on 1800 655 360.

### **We are now taking 2018 PREP ENROLMENTS!**

Do you or a friend have a younger child due to start school next year? Please contact our Avon or Waller Street Campus office to collect an Enrolment Form or book a School Tour.

# National Tree Day

This week at Avon St Campus we celebrated National Tree Day. We were fortunate to have Bunnings come on board and support us with this venture by providing 50 native trees and shrubs to plant around the campus.

On Wednesday afternoon Lisa Parker from Bunnings in Wangaratta arrived with our tress to help and encourage us with the planting. Year 3/4 students grabbed shovels, wheel barrows and watering cans to begin the improvements to our playground. Not only were students being actively environmental and good citizens a mathematics component was also taking place with students working on measurement and fractions. Thank you very much to Bunnings Wangaratta, Lisa Parker and Tanya Winkler for the support on the day.

## THE CHOOK EXPERT VISITS AVON ST CAMPUS

On Friday, Bu Edgely came to talk about chickens. We learnt that girl chickens have short combs and the boy chickens have long combs. We got to hold the chickens and Bu Edgely taught us that the chickens eat scraps and they lay eggs. The chickens are so so fluffy and are so cute. *By Indy, Grade 2*

Last week on Friday, Bu Edgely came in to talk to us about the chicken's. We learnt how to hold a chicken and how to make sure they are calm. When the Benalla Show comes we are going to get them ready. We are going to get them ready by washing them, brushing them and washing their feet. *By Erin, Grade 2*

We learnt that chickens eat scraps and lay eggs. *By Isabelle, Grade 2.*

How many chickens can you see?

## Students of the Week

Congratulations Chali, Amber, Paige, Tyler and Aeryn who were this weeks Avon Street students of the week!

# Students of the Week

Congratulations Daniela, Deisel, Marcus, Charli Riley, Amy and Harry who were all this weeks Students of the Week!

# Golden Shovel Award

# Culinary Crusaders

This semester 3/4 Barker have been cooking up a storm in the Waller Street Kitchen as participants in the Stephanie Alexander Program. Every Tuesday the students are ably instructed and assisted by the cooking worlds equivalent of the Supremes; Amanda, Rhonda and Faye. Under their guidance, the students prepare four delicious dishes to sample. Many of the ingredients used, the students have assisted to grow in the campus garden. This amazing program fosters teamwork, leadership, etiquette, and communication skills while providing a practical opportunity to apply the knowledge that has been learnt in the classroom. Benalla P-12 College's Kitchen Garden Programme is the envy of many schools and 3/4 Barker are very thankful we have it.

## Dairy calves teach students a few tricks..

The Hands on Learning students have been busy caring for two dairy calves that were provided to school by the Melbourne University Dookie dairy. The program is called Cows Create Careers and is funded by Dairy Australia to give students an insight into the dairy industry and the many careers that it can offer. Students were given the task of feeding and checking on the calves over a three-week period. The calves certainly outsmarted the students when it came to getting them back in their yard and shelter. A few lessons in animal behaviour soon helped. Some students even came in to school on weekends to feed them. The Year 5/6 Hands on Learning students were also required to create a three dimensional model (they built a dairy farm), take some funny photos of their calves and monitor and report on the growth of their calves in a scientific report.

## CI Card

Twenty students from years 9 to 12 completed the Construction Induction Card training on Wednesday 6 September. The training focuses on Occupational Health & Safety in the construction industry. All people working in this industry have to have the CI Card. The card is recognised across the nation. All students who completed the CI Card can now undertake Work Experience, Structured Workplace Learning or gain a School Based Apprenticeship in this industry. Congratulations to all the students for their efforts on the day and thank you to Ben and Brendan from GOTAFE for running the course for the school.

## Barkly Street Careers and Pathways News

### Year 12 Students

As our Year 12's near completion of their secondary schooling and VCE/VCAL certificates, they are busy preparing for life beyond Year 12 and their transition to work, vocational training, apprenticeships, University or GAP years.

To prepare our students for this we have allocated time to work on their individual Career Action Plans in mentor sessions. It is our hope that our Year 12's leave us with a full Student Achievement Portfolio and an up to date resume and CAP plan. It is important that students explore carefully all of their options and have a clear plan.

### VTAC applications & DEADLINES

- Course applications close: September 28, 5pm
- SEAS applications close: 10 October, 5pm
- Scholarship applications close: 13 October, 5pm

Please note that these dates are in the holidays or early in Term 4. We strongly recommend that all students have their course/SEAS and scholarship applications completed by end of this term.

### SCHOLARSHIPS/SEAS AND EARLY ACCESS PROGRAMS

There are many scholarships offered by various institutions available for students wanting to attend University next year. They are offered for a range of reasons (not just academic excellence). These can be accessed through their VTAC application (one generic application) and also by exploring what the Universities offer and applying to them directly.

Special consideration covers a range of access and equity programs offered by institutions. The Special Entry Access Scheme (SEAS) is a single application that is sent to all the courses that our students apply for.

SEAS applications require supporting documentation and students are strongly encouraged to have contacted the person writing these supporting statements.

SEAS applications close October 10.

### STUDENTS WORK EXPERIENCE PLACEMENTS – COMMUNITY SUPPORT

Our students are often looking for opportunities to undertake work experience and we welcome Benalla and local businesses and employers to support us and offer students the opportunity to complete work experience placements.

Work experience is the short term placement of students with employers to provide insights into the industry and the workplace in which they are located. It provides our students with the valuable opportunity to:

- develop employability skills
- explore possible career options
- understand employer expectations, and increase their self-understanding, maturity, independence and self-confidence.

It can take place over 5 consecutive days or 5 Wednesdays over a 5 week period. It can take place in school holidays (excluding the summer break).

Our students are also encouraged to source their own work experience.

## Benalla P-12 College Competition 'Design a School Mascot'

The competition is open to all students of Benalla P-12 College. We are asking that you submit designs for a school mascot that is able to be used to promote the school's values of Respect, Responsibility, High Expectations and Integrity.

This mascot will be incorporated into our Matrices, put up around the school and will feature at sporting events and at assemblies.

The entries will be shortlisted and voted on by the School Council, Staff and Students.

Entries may be hand drawn or computer generated. One entry per student.

All entry's will earn 10 points per house, all shortlisted entries will earn 50 points per house. The winning entry will earn 150 points for their house. The winning entry will also win an art pack to the value of \$150-00.

The competition closes on Friday September 15th. Entries are to be submitted to the general office on your campus or emailed to halligan.kirsty.s@benallap-12college.vic.edu.au

\*The winning entry may be reworked by a designer to make the mascot possible to use on documents and be made into a costume.

## Connect Benalla – APP Competition Introduction

## IDENTIFYING FAMILY VIOLENCE Free Sessions

### The Common Risk Assessment Framework (CRAF)

A key aspect of the implementation of the framework is a statewide rollout of Level 1 Common Risk Assessment Framework (CRAF) training.

This is to instigate a shared understanding of family violence and a common approach to the assessment and management of risk as a critical aspect of a new, integrated approach to family violence in Victoria.

This training covers the forms of family violence and explores ways of responding and referral pathways. This session is for workers/community members with no specific training in family violence
