Dear families,

The Bus Shed and the Maintenance Shed are nearly completed. The work is coming along at Avon with the demolition and rebuilding underway.

## Parent /Teacher Interviews

Thank you to all the Parents and Carers for attending the Parent/Teacher Interviews. This is a great way to support your son or daughter by working with the teachers to improve learning opportunities. If you missed the interviews please feel free to contact relevant teachers to discuss your son's or daughter's learning.

## ANZAC Day Service

I would like to congratulate the College Captains, Cameron Holmes, Alex Robinson, Samantha Desailly and Jessica Stocker for running the ANZAC service last Friday. They did a brilliant job as always. I would also like to acknowledge the Year 3/4 Singers and the Benalla P-12 College Band for their performances. Naomi Saunders singing the National Anthem and Willow Plex playing the Last Post and Reveille both did themselves proud. Well done to both young ladies. It was also great to be able to host Alan Auld, Rob Burns, both veterans from World War 2, Delano Dube, ex-American Navy serviceman and also the RSL president Jeff Lewis. Petty Officer Medic Submarines Kelly Fraser also addressed the students on what ANZAC day means to her. Senator Bridget McKenzie who is a past student of Benalla East and

Benalla High School

attended along with the Honourable Stephanie Ryan, the Member for Euroa.

***This year we will again march in the Benalla RSL ANZAC day service on the 25<sup>th</sup> April. I am inviting all Benalla P-12 College students to march as one to pay respect to those who paid the ultimate sacrifice to make this country what it is today. If you are planning to march, please meet at KFC at 10:00am in school uniform.***

## Australian Friends of Botanic Gardens National conference visit to Waller Street

We were thrilled to be selected by Australian Friends of Botanic Gardens to visit our Waller Street Stephanie Alexander Kitchen Garden (SAKG) program on last Saturday 21st April as part of their three day national conference. It was a great day.

The visit was quite an honour as the conference organisers had requested to visit our garden as our wonderful reputation precedes us. The committee provided the funds for us to provide afternoon tea on the day and our large range of our preserves were available for purchase. We also provided our own home made seed packets, which were included in the official merchandise bags that all conference participants received.

Congratulations to all involved and a big thank you to Amanda Grimwade & Danielle Milvain for their work, in supporting this showcase of our SAKG.

We were so thrilled to be given this opportunity, to showcase our amazing SAKG program to members of the public on a national level.

## Uniform

With the mornings becoming cooler, please ensure students are prepared for the cooler days by having the correct uniform to wear.

Please have a great week.

Paul Challis

## EVERY DAY COUNTS

Welcome back to Term 2. As you would already know from the stories that your child/ren bring home, that they learn new things every day. What you may not know is that **going to school every day is the most single important part of your child's education**..... missing school puts them behind. There are no safe days for missing school.

### Did you know?

Attendance patterns are established early - a child that regularly misses days in kindergarten or in the early years of school will often continue to miss class in later years and receive lower test scores than their classmates.

It is vital that students go to school every day - even in the early years of primary school. Each week we will be putting information and facts in our newsletter; about the importance of being at school. If you are having trouble getting your child/ren to school every day, please pop in to see one of our student wellbeing team:

- ⇒ Avon St Campus -Scott Greig 5762 1646
- ⇒ Waller St Campus -Bron Greig 5762 2600
- ⇒ Faithfull St Campus -Lou McCloskey 5761 2777
- ⇒ Barkly St Campus -Craig Carley 5761 2888

**We would love to support you and work together with you to get your child/ren back on track attending every day**

# HANDS ON LEARNING

Warren Hunter-Barton, Rylie Hawking and Tarnia Norman, the Hands on Learning Teachers Ed Bishop and Pip Rowe, and Pat Claridge from Tomorrow Today travelled to Melbourne to attend the Hands on Learning Exhibition at Parliament House. We all travelled by train to Parliament House in Spring Street to hear a number of speakers talk about how Hands on Learning is making a real difference to students in schools. Three students from Morwell spoke about how they had dealt with bullying at their school though the support and work they had done in their Hands on Learning Program. An exhibition of students work had been set up around Queens Hall for politicians and the public to view over the week. Our students were impressed with a Billy Cart vehicle that had been built out of a pram and the front of a bike. After morning tea we were then greeted by our local Members of Parliament Jacalyn Symes and Steph Ryan, sat in on question time and were then invited to lunch with Steph. This was a great opportunity for all of us to explain to Steph how the Program operates and what the students get out of it.

## Reading Sparks in the 5/6 hub

# 5/6 News

On Thursday 22 March, 160 5/6 students were taught Swim Safety and First Aid by the Benalla YMCA staff at Benalla P-12 College pool. From bandaging, CPR, sprains and awareness around water staff shared their skills and giving students the skills to manage their own safety.

## Tree Planting- Seed Propagation

Year 5/6 Students were given the opportunity to assist the Regent Honey Eater Tree Propagation program on the 22 March at the 5/6 Hub. We were assisted by Andie and his team of wonderful volunteers who helped transfer seedlings to punnets for further development at the local CalFarm nursery. Throughout the day the students transferred and planted 2690 seedlings for our tree planting. What a fantastic effort!

Keely Williams

Callum Preston is an artist who is terrific at painting.

Today we got to see his Milk Bar at the Benalla Art Gallery.

It took him six months to build the Milk Bar. There were a lot of things in there - magazines, drinks, food and ice-creams.

I couldn't believe it.

We did a workshop too. Eloise created blueberry and peach Big M and then mystery skittles.

I created chicken Twisties and Rainbow Pepsi Max.

Then we went to the Rocket Park. We had a fun excursion.

Eloise

Today we went to the amazing Benalla Art gallery to meet the artist of "The Milk Bar".

His name is Callum Preston.

Inside the Milk Bar he made wooden items - groceries, cereal, soft drink, chocolate bars, matches, bubble gum, ice-cream, chips and jars of spreads.

Meredith from the gallery led a workshop up the back of the exhibition.

I had a great time.

## The 2018 Benalla College Maths Talent Quest Group!

Maths lovers from Year 6 and Year 7 had a special day to see how Maths can be used in everyday situations and can be heaps of fun! We had a great day at Go Jump and Kids Town in Shepparton, and will now jump into investigating who can jump the highest and slide the fastest. With hypothesis such as: "The heavier you are, the higher you will jump" or "The average height person will slide the fastest". There is heaps of Maths involved!

Narelle McInnes

## 90% attendance is...

- Half a day missed every week!
- Nearly four whole weeks of lessons missed in a school year!
- Half a school year missed over five years!

## NEVR Music Camp

Annually since the mid 1980's, music students from across North Eastern Victoria have gathered for a three-day intensive camp. The 2018 camp was held in the last week of term 1 at Beechworth with nineteen Benalla P-12 Students from Years 8 – 12 attending. All students participated in one of the variety of bands including concert bands, string orchestra, jazz band or vocal popular group appropriate to their level of experience. After intensive rehearsals, with leading music teachers from around the region and guest conductor, Dr Rob McWilliams, students presented a brilliant concert in the Beechworth Town Hall. Once again, our music students impressed everyone with their energy and enthusiasm throughout the camp and their performances in the final concert.

Applications for the camp are circulated in December for the next year and we encourage all instrumental music students to attend if possible.

## Year 8 Outdoor Education – Lake Nillahcootie Canoeing

On the 27<sup>th</sup> March the Year 8 Outdoors class ventured to Lake Nillahcootie to participate in canoeing, in what was a wet and miserable week of weather. The class used the day to put their canoeing skills to practice in very trying conditions. Students found it difficult at first working in tandem padding the canoes, but it was brilliant to see students working together and communicating in order to effectively steer the canoes. Students had the opportunity to put theory into practice, with many T-rescues needing to take place throughout the day. The students demonstrated wonderful resilience with large gusts of wind and very strong head wind at times.

## Expression of Interest

We are looking for expressions of interest for parents to help supervise the Year 7 excursion to Healesville Sanctuary on Friday the 25<sup>th</sup> May. The bus will leave at 7:30am and return home around 4:30pm. Parents need to have a Working With Children's check in order to be able to come on the trip. We have enough spots available for two parents to attend. Parents can email me at [ramage.lianna.j@edumail.vic.gov.au](mailto:ramage.lianna.j@edumail.vic.gov.au) or call the main office 5761 2777 to speak with me if they are interested in helping on the day. If there are more people than spots, we will have to draw names as we are only able to take a particular number of adults.

All Year 9 students have now started our **Careers Intensive Program**, detailed below. We have a very busy term ahead with guest speakers and community volunteers assisting with this program. Congratulations to students who have already achieved full marks for portfolio classwork this week.
