RESPECT RESPONSIBILITY HIGH EXPECTATIONS INTEGRITY

Benalla P-12 College Newsletter

Acting Principal-Paul Challis

Dear Families,

Emergency Lockdowns – Practice Drills

Over the next few weeks each campus of Benalla P-12 College will be running practice Lockdown drills with students and staff. Throughout the year we are required to run drills related to Evacuations or Lockdowns once a term to practice in the event of a real emergency happening. All students are supported during these drills and assisted to understand the importance of being prepared.

Change of details

There are times when we will need to contact Parents/Carers. Do we have your most up to date contact details? If not, please contact the relevant campus so we can update our records. Please include Parent/Carers' name, address, phone numbers, email address and emergency contact details. Please remember to contact the school if any of these details or your circumstances change.

Avon – 57621646 ~ Waller – 57622600 ~ Faithfull – 57612777 ~ Barkly - 57612888

Building Program

The building program at the Faithfull Street Campus and the Avon Campus continues to move ahead. The photo's below are of the Senior School Building and the Avon Street Campus. The trade building has the steelwork going up at present. It is impressive to see it emerging from the ground. The Avon campus is continuing to be updated and renovated. If you wish to see the colour tones of both Avon and Faithfull, please drop in to the offices and have a look.

Uniform

With the mornings becoming cooler, please ensure students are prepared for the cooler days by having the correct uniform to wear.

Please have a great week.

Paul Challis
Acting College Principal.

SAFETY AT SCHOOL CROSSINGS!

“DON'T MAKE THE KIDS MAD, OBEY SCHOOL CROSSING RULES”

School speed zones, and school crossing are designed to improve safety for school children.

They operate throughout each school term between 8:00 am to 9:30 am, and from 2:30 pm to 4:00 pm which are the peak times that children arrive at and leave schools.

Take extra care and slow down when you drive past any school.

EVERY DAY COUNTS

We are now in our seventh week of Term 2. What stories have your child/ren brought home with new things they have learned in the classroom or in the playground every day. What you may not know that **going to school every day is the most single important part of your child's education.**

If your child is away If for any reason your child must miss school, there are things you can do with your school to ensure they don't fall behind:
Inform the school

- Speak with your child's classroom teacher and find out what work they need to do to keep up.
- Develop an absence learning plan with your teacher and ensure your child completes the plan.

Remember, **every day counts**. If your child must miss school, speak with your classroom teacher as early as possible.

If you are having trouble getting your child/ ren to school every day, please pop in to see one of our student wellbeing team:

- Avon St Campus -Scott Greig 5762 1646
- Waller St Campus -Bron Greig 5762 2600
- Faithfull St Campus -Lou McCloskey 5761 2777
- Barkly St Campus -Craig Carley 5761 2888

We would love to support and work together with you to get your child/ren back on track attending every day

MENU

Another great cooking session was had by Year 3/4 Weaire last Wednesday. The student's skills have further developed and we are now creating quite sophisticated meals.

There were apples, pears and potatoes to peel and slice.

This week's menu was:

- * Potato and Spinach Tarts
- * Eggplant Dip with toasted Turkish crostini
- * Corn Fritters with Avocado and Tomato Salsa
- * Strawberry, Pear and Apple Crumble

Red Apron winners last week were Dalsen Giles and Riley Sutherland.

Every Child Deserves a Good Book

National Simultaneous Storytime

On Wednesday the 23rd of May, Avon Campus students from Foundation to Year Two participated in the National Simultaneous Storytime (NSS). This event is held annually by the Australian Library and Information Association (ALIA). Every year a picture book, written and illustrated by an Australian author and illustrator, is read simultaneously in libraries, schools, pre-schools, childcare centres, family homes, bookshops and many other places around the country. Now in its 18th successful year, it is a colourful, vibrant, fun event that aims to promote the value of reading and literacy, using an Australian children's

book that explores age-appropriate themes, and addresses Key Learning Areas of the National Curriculum for Foundation to Year 6. Avon students gathered in together to watch "Hickory Dickory Dash" by Tony Wilson, read by Playschool presenter, Jay Laga'aia. In their classrooms, we wrote about our favourite part of the story.

"I liked the jokes they told like when the cat stepped on the nappy. The room smelt like "ew". Do you get it? I love books!" – Boden Hazell.

Congratulations Katie, Lily, Sebastian and Harry

Students of the Week

Well done Arni, Gossamer, Zak, Rhyse, Lucas, Mekaylah, Christina, Amelia, Thomas (on behalf of 3/4 Milvain's Year 3s) and Seth

Royalty at Waller

After a weekend full of news from England about the Royal Wedding, we were thrilled to have our own touch of royalty at our Monday morning assembly. Princess Marli and Prince Hudson arrived to give us all a royal wave and a regal smile. We couldn't believe what a perfect match they were (for Meghan and Harry!!)

Golden Shovel

Congratulations Teliha, Caleb and Danielle

Cross Country Champions:

Well done to all those who participated in the Cross Country on Friday. Students who came 1st, 2nd or 3rd are pictured above.

Waste Warriors

In the Foundation rooms we are becoming waste warriors! We have been learning all about how to sort our rubbish, what happens to recycling materials and how we can reduce, reuse and recycle. We are trying to pack 'nude food' in our lunchboxes and recycle anything and everything we can in the classroom. We use compost bins for fruit scraps and an organics bin for citrus peels and tissues. We also have a cans/hard plastic recycle bin, a paper/cardboard recycle bin and a 'Redcycle' soft plastics bin that gets taken to Coles at the end of each week. Our goal was to only empty our rubbish bin on a Friday, but we are doing even better than expected! Take a look at some of our healthy no waste lunchboxes.

Hello from the KEAPS team,

As part of KEAPS running in your school, we have 6 parenting topics we would like to share with you through your school newsletter over the next 6 weeks. As every parent does their best to deal with the challenges of bringing up children, we hope you find this parenting information helpful for you and your family.

Topic 4-Family Problem Solving Tips

It's normal to have problems that need to be discussed as a family. Doing this calmly and respectfully together teaches your children how to manage problems that will come up in their own lives.

- Find a suitable time and schedule it to problem solve together. Try to avoid times when people are tired, hungry or upset.
- Focus on one problem at a time
- State the problem clearly
- Consider the desired behaviour and whether this is realistic. If you feel it is state this goal clearly.
- Encourage imaginative suggestions to achieving this goal - be open to new ideas!
- Evaluate the possible solutions.
- Write down a plan. Be specific!
- Praise your child's efforts in the problem solving process.

2018 Waller St Bakery Drive

order form

With winter approaching, nothing is better than an easy, hearty meal made for you. We have teamed up with Higgin's Bakery to create a huge Bakery school fundraiser.

Buying fresh pies and bakery goods from us not only ensures you have a beautiful dinner but supports your primary school too! And unlike other similar drives, our produce comes to you fresh, not frozen.

To order, fill in this form and return to Waller St office **BEFORE 9am FRIDAY 1 JUNE**

We cannot process late orders so please have them in on time.

Deliveries will be handed to your child on **Thursday 7 June** or can be picked up at hometime in the multipurpose room

Please enclose this order in an envelope with money (if applicable) any cheques to be made out to Benalla P-12 College.

On Friday 18th June we held an awesome Cross Country event for our Benalla P-12 Year 3-6 students.

This was a day of ups and downs! Our District event had been cancelled earlier that morning but the P-12 community decided not to let a little bit of rain get in the way. We ran our very first Cross Country at Avon campus utilizing the bike track around the school. Our Year 3/4s competed first followed by the 5/6s.

There was plenty of cheering as House members completed their race.

A very big thank you goes to our parent helpers who helped out for the entire event. We can't do it without you.

And also to Ross Hill and Emily Neilson who set the course up at short notice.

The final results:

1st Hotham (yellow)

2nd Stirling (red)

3rd Buller (blue)

4th Buffalo (green)

Congratulations to all students. Notes for Division level will be sent out during the week.

Connect9 Activities

We have a number of Benalla P-12 College students participating in the Tomorrow Today Connect9 program this term. Connect9 is a ten week community based mentoring program. The aims of the program include connecting young people with the opportunities that are available in Benalla. Each student is also matched with a mentor who has hobbies and skills to share, together with good connections in our community.

Last week, students had a great night at Benalla Bowls Club with their mentors. This included learning basic skills and rules of the game, fun competition and a BBQ dinner. It was wonderful to see our students participating in this opportunity and interacting with each other and their mentors in such a positive manner.

Another group of Benalla P-12 students are currently being interviewed for selection in this popular program which will run again next term.

PLANNING FOR THE FUTURE

HANDS ON LEARNING

Hands on Learning have been working on the Faithfull Street Wetlands project. This project was successful in gaining nearly \$1,000 from the Landcare Powerful Youth Projects Program. Smiths Tree Services have donated two loads of mulch that has been spread over the banks of the wetlands to prepare the area for planting. Community partners are an essential part of gaining this funding, so thanks to Smiths for their support. This funding will go towards putting a rock base in the ponds, purchasing some indigenous plants for the banks and providing

signage to explain the importance of ephemeral (wetlands that dry out in Summer) wetlands in our environment. We will keep you updated with further works on the project.

Year 10/11 English

In senior English classes, Year 10 and 11 students have recently been completing persuasive speeches. Topics have ranged from “Do we spend too much time on social media?” to “Should netballers be paid the same as footballers in local Football/Netball clubs?”

The topics have caused some interesting debates and discussions in classes, as students have sought to clarify their thinking, find useful evidence to support their views and express themselves in the most fluent and persuasive manner.

There has been much extra time spent at recesses and lunchtimes to rehearse and deliver speeches, with both students and teachers prepared to give up that extra cup of coffee or snack in order to ensure that the tasks were completed.

Year 12 English students have been studying the novel Burial Rites by Australian author Hannah Kent. It is set in Iceland and students have been interested to learn that the average winter temperatures in Benalla are the same as the average summer temperatures in Iceland, even though the sun shines for over 20 hours each day in the middle of summer in Iceland. Needless to say, winter in Iceland is MUCH colder than winter in Benalla.

General Achievement Test (GAT) 2018

When: June 13th 2018, 10am-1:15pm

Where: T block, Barkly St Campus

Who needs to sit the GAT?

All Victorian Certificate of Education (VCE) or Victorian Certificate of Applied Learning (VCAL) students enrolled in one or more VCE or scored VCE VET Units 3 and 4 study this year.

The following link contains all relevant VCAA information about the GAT

<http://www.vcaa.vic.edu.au/Pages/vce/exams/gat/index.aspx>

The following link contains the 2018 VCAA brochure:

<http://www.vcaa.vic.edu.au/Documents/GAT/GATbrochure.pdf>

Students sitting for the GAT and any VCE written examination are permitted to bring basic stationery items into the examination. This includes pens, pencils, highlighters, erasers, sharpeners and rulers. Pencil cases can only be brought into the examination room if they are transparent, i.e. the contents are visible to the supervisor. Students are also permitted an English and/or bilingual printed dictionary for the General Achievement Test.

We will be encouraging students to attend school from 8:45am, we will have breakfast in the study centre prior to the GAT

The novel tells the story of Agnes Magnusdottir. She lives with the family of Jon Jonsson. Her name means daughter of Magnus. You can see the similarity between the Icelandic language and English through the words son and daughter (dottir). There are virtually no trees in Iceland because of the cold weather, so traditional buildings were made mainly of turf blocks cut from the ground in summer, with a small amount of imported wood for doors and other fittings. The walls and roofs of the houses literally “grow” in the summer months. These images reminded the students of Hobbiton from Roald Dahl’s novels The Hobbit and The Lord of the Rings.

All English students in Years 10 and 11 are approaching Mid-Year exams and are studying the material they have covered throughout the semester. Year 12 classes are leading up to their last School Assessed Coursework task for the semester, so everyone has plenty to do at the moment. We wish all of our students well for their exams and SACs.

Please note the following exam rules:

- Students must sit exams for all Year 10 English & humanities classes, Year 11 VCE Unit 1 classes and Year 11 VET classes that have an exam in Units 3-4.
- All exams are conducted at Barkly Campus. No Exams will be held on Wednesdays due to School Based Apprenticeships and other work based commitments, however Outcome catch up is available for students.
- Carefully read the exam timetable and arrive at least 10 minutes before your exam
- Students must attend the exam for the entire duration.
- Year 11 students are only required at school if they have an exam. Students wishing to leave during the day and return at a later time are subject to the normal school arrangements. Year 10 students are to attend their normal classes other than their year 10 and 11 exams.
- Normal classes will be running for Year 10 students, Exams will run during class times unless otherwise stated above.
- Please ensure that you have all the required and appropriate equipment for the exams. Check with your teachers about resource booklets for maths exams and dictionaries for English exams.
- Fast tracking Year 10 students should go to the library when their Unit 1 class is scheduled, all Year 11 fast tracking students should attend their Year 12 classes as normal.
- Absences due to ill health must be reported to the College (57612888) on the morning of the exam. You will need to make arrangements to sit your exam at a later time during the week and a medical certificate needs to be supplied for the period of absence.
- Non-attendance to an exam will be followed up with a phone call to parents/guardians and alternative arrangements to sit the exam will be made.
- No food or drink (except for clear water bottles) will be allowed in the exam area.
- During school time when students are not sitting exams, it is expected that students that are at school will be undertaking constructive study in the Library.
- Students must have their Students ID card at all exams, sitting on the table face up.

Hairdressing and Health Services students must attend their normal course on Wednesday.

IMPORTANT: Any student who has an Exam clash must see Mr Elkington, Mrs Rembold, Mr Carboon or Mrs. Legg ASAP, so that we can reschedule the exam.

REPORT WRITING DAY – Tuesday 12th June:

Just a reminder to families that this is a student free day and all day care will be provided. Please book your care asap, so that we can plan for staffing. At this stage we will have care provided at both Avon and Waller.

With five weeks to go until the new child care package is fully implemented, there's a lot going on in the transition space. Here's some information you need to know.

Translated brochures

To help families from culturally and linguistically diverse backgrounds understand the new child care package, our brochure has been translated into six languages. The brochures are available in:

- Arabic - Simplified Chinese - Traditional Chinese - Dari - Korean - Vietnamese

Please go to: <https://docs.education.gov.au/node/50646>

Online help for families to complete their Child Care Subsidy Assessment

The Department of Human Services has developed a set of instructions to help families with completing their online Child Care Subsidy assessment. These instructions are available on the Department of Human Services website **Please go to:** <https://docs.education.gov.au/node/50681>

*Enquiries please email: hanrahan.anne.e@edumail.vic.gov.au
