## **Benalla P-12 College Events Policy**

### **Basic Beliefs:**

Benalla P-12 College hosts a wide range of student and school community events to celebrate student achievement, showcase student learning, build community engagement and mark special occasions. These events should be inclusive, have a positive impact on the school and wider community and reflect the school values of Respect, Responsibility, High Expectations and Integrity.

Events have a positive impact on the school and wider community and reflect the school values of **Respect, Responsibility, High Expectations and Integrity.**

### **Guidelines:**

- Student representatives will consult with Year Level Coordinators, Student Leadership Coordinators, Sub School Leaders, and Assistant Principal's when planning events. Students may share some responsibility with staff for organizing events.
- All events will provide an opportunity for students to model positive behavior
- Events should be organized to minimize impact to the student's academic program.
- Fundraising events may be organized with approval from the Principal or a designated representative.
- The Duty of Care and 'Anti Bullying and Anti Harassment Policy' will be adhered to at all times.
- Expectations regarding appropriate behavior will be communicated clearly to both staff and students prior to the event.
- Events are widely publicized to promote maximum participation from the student body and wider school community.
- Inappropriate behaviour may result in individuals being excluded from future events or cancellation of a particular event.
- All events are alcohol and drug free.

### **Basis for discretion**

The basis for discretion lies with the Principal as an operational matter.
