Benalla P-12 College Newsletter

Executive Principal-Tony Clark

Dear Parents and Members of the School Community,

Building Program Update

Avon Street is still progressing well and will be completed by the end of Term 3. The staff and students there are looking forward to getting back into their new rooms and having the multipurpose room available again. The renovations look great and should breathe lots of new life back into the building.

The new Senior Centre at Faithfull Street is also buzzing with trades-people and work. Roofing, cladding, windows and doors are almost complete and the timeline for completion is still looking good for the end of Term 4. Secondary staff had a look through the site last week and we are hoping to be able to take students through in the coming weeks.

Senior School Information Night

A great turn up of parents and students to the Year 10-12 Information Night last Monday. Thank you to all parents and students who came along to support this event. If you have not yet made your appointment for course counselling, please contact the College to do so. The more you can think and plan the subjects your child will take in Year 10-12, the more smooth their pathway will be.

Mobile Phones

School Council has endorsed a policy that requires students to place their phones in the box provided at the start of each lesson. It is expected that students will comply with this to ensure teachers and students can focus on learning. You can help support the implementation of this policy by reminding your child of this expectation.

100 days of Prep

Thank you to all the parents, grandparents and friends who attended the 100 Days of Prep assembly on Wednesday. Once again, it is wonderful to see so many people coming in to the College to help us celebrate the children and their achievements. I hope everyone enjoyed the event. The first 100 days of learning for our Preps is incredibly important and it is nice to recognise this. We now need to make sure the Preps, and all our students, are attending school every day to ensure that the good learning continues.

Mid-Year Music Concert

Thursday night saw a number of students from Years 7-12 perform as part of a band in the PAC. The students were very well prepared and supported by our music staff – Barry Roberts, Bryce McMurray and Rolf Koren – and they all performed beautifully. The Senior Stage Band and Symphonic Band in particular, have a number of very talented musicians and are producing some excellent music. Special mention to Year 8 student Georgia Nichols, for her outstanding solo performance with a song she wrote herself. Good luck to the Year 8 Band, as they prepare to take part in a competition in Bendigo. There are 'limited' CDs from the recording session the students had in Melbourne last week, so make sure you get in early to buy one and support the opportunity to record again in 2019.

Madagascar

Don't forget the production at BPACC next week, on Thursday and Friday. Please buy your tickets and come along to support the students and staff who have been working incredibly hard to get the show ready.

GOOD ATTENDANCE FOR SUCCESS

Every Minute in School Counts

Why Every Day Counts

Going to school is usually an exciting and enjoyable event for children and adolescents. However most children are occasionally reluctant to go to school or have some anxiety about activities like school camp; it is also normal that at some stage in life every individual will feel anxious when faced with a difficult situation. Anxiety becomes a problem when it is persistent and prevents a person from enjoying normal life experiences, such as not wanting to go to school. If you feel your child is experiencing anxiety and not wanting to come to school, please speak with your child's teacher, or contact one of our student wellbeing team members who can offer assistance and make recommendations about professional support if needed.

All staff at Benalla P-12 College want your child/ren to get a great education, and the building blocks for a great education begins with your child/ren coming to school each and every day. If your child/ren miss school regularly, they miss out on learning the fundamental skills that will set them up for success in the later years of school.

Help us to help you, please contact Scott, Bron, Lou or Craig to assist in achieving your new attendance goal.

If you are having trouble getting your child/ ren to school every day, please pop in to see one of our Student Wellbeing Team:

A Day at Waller Street

On Friday the 27th July the whole of Avon St packed up and went on an adventure to Waller St. Due to the continuing build work, Avon was without power for the day. The children were very excited to have a new playground to play in and new people to play with. Friendships were rekindled as students met up with friends they knew out of school through, sport, scouts and past kinder friends. The children's behaviour and resilience on the day was outstanding. When visiting the classrooms, students were engaged and working well. Playtime was a loud and busy time with multiple activities happening and happy and smiling children. A great day was had by all!

Riley's Reflection

On July 27th all Avon students went to Waller because the power was out in our school. We all had a normal time table except a new school. We all got on with the Waller kids. Scott played a game of Golden Child, it was Waller vs Avon. Im not sure who won though. The Year 3/4 went to the Churchill Reserve and practised athletics. When the bus got there, we all got on and went back to school, all the parents were waiting for us.

1/2 Unit of Inquiry - AMAZING ANIMALS

Our Term 3 Unit of Inquiry about Amazing Animals in the 1/2 classrooms is well under way! So far, we have brainstormed some of the animals that we know and have compiled this information in an A-Z list. We have been learning that mammals are warm-blooded, that they have live babies and that they drink milk from their mother. Our Unit of Inquiry this term ties in nicely with our Literacy focus for the term. We have been exploring the features of non-fiction texts and have been using these non-fiction texts to build our knowledge about animals. As we have been reading about animals we have been practicing summarising what we have read and rewriting what we have read in our own words. Our learning about Amazing Animals will culminate in the presentation of an information report about an Amazing Animal. The teachers in the 1/2 Unit are looking forward to seeing these presentations!

I am enjoying learning about animals – Lacey

Week 2 Students of the Week

Celebrating NAIDOC Week

NAIDOC week is a national event which recognises and celebrates Aboriginal and Torres Strait Islander history, culture and contribution to Australian society. The theme this year is "Because of Her We Can" – valuing the role of indigenous women.

NAIDOC week has been celebrated at Faithfull campus with events organised by the "Us Mob" indigenous student group. Students joined art and craft workshops and worked with Jessica Mobourne to make bead jewelry, traditional weaving and painting. Students also enjoyed wearing footy colours and joined games on the oval. Hot pies were ordered and served as a fundraiser – toward erecting flagpoles to fly the Aboriginal and Torres Strait Islander flags alongside the national flag on all campuses.

BE YOU. BE BRAVE. BE HEARD.
We can stop bullying together

Kool Music

Last week a group of young music students from Year 8 to Year 12 participated the Kool Skools Song Writing and Recording Project. Students worked with professional recording engineers at Studio 52 in Melbourne and recorded their original songs. Our amazing Stage Band recorded a Ray Charles song. Student were amazed by way their songs were transformed in a couple of days through the recording process. Special Thanks goes to Paul Challis, Joda Plex and Bryce McMurray and Rolf Koren for leadership of the project.

You can pre-order a CD of our Kool Skools 2018 from the Music Department for \$10 each.

Years 10-12 Barkly Street Campus News

We have had another week where the students have continued to work hard and attend regularly. The Live4Life program started last week with all 3 Year 11 groups undertaking their first of three sessions. This is a great program to support students with their understanding of mental health and the supports available. It will continue this week and next.

The Senior School Information Evening was on Monday night. Lots of planning and work had gone into this evening. A big thank you to Rebecca, Molly, Kellie and Sue for their work on this and also thank you to all the teachers that set up information areas and the support they gave to students and parents who attended the evening. This formally starts the course selection process for year 9, 10 and Year 11 students. A big thanks to the students and parents for attending and valuing the process of course selection. The Senior Sub School Team are continuing to focus on and follow up on attendance issues. If students don't attend we can't assist them to improve and connect with their learning.

The Year 11/12 Sport & Recreation Ski trip was on last week, and was highly successful. Unfortunately the Year 10 camp to Melbourne has been cancelled due to a lack of support and interest. Thank you to Mrs Rembold for her work on this.

The Barkly and Faithfull Staff enjoyed the walk through the new Senior School building last week and the Trade centre. They were all very excited about the facility.

Uniform - It is important that students and parents support the wearing of College uniform everyday so that students continue to show pride in our College.

Senior School Information Evening

Thank you so much to all the parents/carers and students who attended the Senior School Information Evening on Monday night. Attendance was excellent and we appreciate the effort to brave a cold night. It is wonderful for us to work with parents and carers to achieve the best educational and transition outcomes for our students. Students selecting the correct subjects is vital to their success.

Course Counselling Day – August the 22nd 9.00am-5.30pm- Year 9 Centre Student free day (Years 9, 10 and 11)

Steps for Year 10 and 11 Parents/Carers and students

1. If you did not attend the Senior School Information Evening, make an appointment with your mentor teacher or Mrs Cairncross. Appointments are available between 8.30 and 5.30pm and go for 20 minutes.
2. All appointments need to be made by **Friday the 10th of August.**
3. If your mentor teacher's allotments for that day are full, nominate a time for that day with Mrs Cairncross or the sub-school – there are sign-up sheets in the careers room.
4. If you are unable to attend on the 22nd of August, course counselling will need to take place at the Parent/Teacher/Student Interviews the week before on the 16th and 17th of August. This will be with Mrs Cairncross or someone from the sub-school.
5. Selection sheets will not be processed until the 22nd August.

We strongly encourage course counselling to take place on the 22nd of August if possible.

6. Career Action Plan – completion

Your mentor teacher will have your completed Career Action Plan with them on Wednesday. These are kept in the Careers Room. These are signed off on the day by parents/carers and teachers. If you need help completing your CAP, please make a time with Mrs Cairncross or Molly in the Careers Room.

Secondary school can be a stressful time for students. During this time mental health issues such as anxiety and depression arise for one in four children and young people. However, when mental health issues are picked up early, students can be supported to build and manage their wellbeing, leading to better educational and health outcomes. That is why the Victorian Government has established the Victorian Anti-Bullying and Mental Health Initiative (VABMHI).

Face-to-face and regional phone counselling

Victorian government secondary school students with mild to moderate mental health concerns will be able access face-to-face counselling at a **headspace** centre and/or a regional phone counselling service through **headspace**.

This is part of the VABMHI's mental health focus – Enhancing Mental Health Support in Schools initiative, funded by the Victorian Department of Education Training.

How does it work?

Face-to-face and/or regional phone counselling will be available depending on your child's school. Counselling will take place during school hours between 9am and 4pm with a qualified counsellor for approximately 45 minutes.

If a student is referred or self-refers for a face-to-face counselling session, it will take place at a **headspace** centre.

All phone counselling sessions will take place in a safe and private place on school grounds.

Referral

Any member of the school staff can refer a student or a student may wish to self-refer. In accordance with the School Advisory and Policy Guide*, your consent as a parent or carer will be sought if and when your child is not considered to be a mature minor. This means they are incapable of making their own decision about participating in a counselling service.

Privacy

All sessions are completely confidential and the counsellor will only discuss the session with others, such as family and other health professionals, if given student's permission. In this instance, the counsellor and student will agree about what information is shared with who.

However, if student safety is a concern, the counsellor may act to ensure the student remains safe. The counsellor will always try to include the student in decisions about their health and safety.

More information

Please contact your school for more information about the *Enhancing Mental Health Support in Schools* initiative.
