RESPECT RESPONSIBILITY HIGH EXPECTATIONS INTEGRITY

# Benalla P-12 College Newsletter

**Dear Parents and Members of the School Community,**

Welcome back to all families to Term 4. I hope the everyone has managed to have a safe and enjoyable break over the holidays. I would like to congratulate all students for the positive start we have seen so far this term. We are focusing on a 'Safe and Orderly Learning Environment' and from what I have seen and heard we are well on the way to achieving that. Students have been getting to class on time and are being respectful and responsible. This is the expectation for all students and it is pleasing to see it has been happening straight away after the holidays.

## School Review

I have mentioned several times that we are having a school review this term. The first official day of the review is today, and it is called 'Validation Day'. The Core Review Panel will meet to look at our self-evaluation and 'validate' that. The Core Review Panel consists of the following people:

- College Executive Principal – Tony Clark
- Lead Reviewer – Carol Every
- Senior Education Improvement Leader – Alby Freijah
- School Council President – Michael Plex
- Challenge Partner – Gail Hardman (Principal Seymour College)
- Challenge Partner – Brad Moyle (Principal Wangaratta High School)

Further to the Validation Day today there will be 4 days of fieldwork in late October. There will be opportunities for parents to be involved in this process so keep an eye out in the newsletter for details.

## Whole School Assembly

This Wednesday we are having our final whole school assembly for the year. This is a special event as it is the last time our current Year 12s will be at a whole school event. I am very much looking forward to seeing the Prep students walk in with the Year 12s. As usual there will also be some fabulous musical performances from our College Concert Band. We will also be announcing our College Captains for 2019. This has been an exhausting process with several high-quality applicants. I encourage all families to come along if you can and would love to see as many people there as possible.

## Students of the Term

Last term I attended a number of Campus assemblies and saw many students receiving awards for outstanding performance in a particular subject and several students being awarded 'Student of the Term' for each year level. Congratulations to all of these students. It is great to see so many students working hard and responding to the high expectation we have for them.

## Kokoda

Mr Carboon and Mrs. Hubbard have just returned from the Kokoda Track with a group of senior students and some parents. All made it through safely. What an incredible adventure!! Congratulations to those who took up this enormous challenge and I am very much looking forward to hearing all about the trip.

Have a great week.  
Tony Clark

### School Immunisation Program: Benalla P12 College

The second round of Year 7 school immunisations is being conducted at this school on **Friday 26 October 2018**.

The following vaccines will be offered on this day:

YEAR LEVEL	VACCINES OFFERED
YEAR 7 MALE & FEMALE STUDENTS	GARDASIL9 (HPV) DOSE 2 FINAL DOSE

These vaccinations are funded as part of the Victorian Secondary Schools Immunisation Program. Should your child miss out on starting their vaccination course this year they will not be eligible to receive them for free in subsequent years in the school program.

Consent cards should have already been signed and completed for these vaccinations earlier this year.

**Please ensure that your child is wearing their sports uniform or a short sleeve shirt on the vaccination day (without any long sleeved layers underneath), this will enable a smooth vaccination process.**

If your Year 7 child missed the first dose of vaccines please contact council's immunisation team on 1800 655 360 to obtain a consent card (if consent card previously not returned). Council can administer the first dose of vaccines at school if we have a signed consent card. To complete the vaccine course, students must attend a council immunisation session or their GP, 6 months after dose 1 was given.

If your child has been vaccinated elsewhere and you have not already done so, please notify council's immunisation team on 1800 655 360.

If you DO NOT wish for your child to receive any further vaccinations or if you have any enquiries about the program or your child's vaccinations, please contact Wodonga Council's Immunisation Team on 1800 655 360.

## **Paid Part-Time Work Graduates**

Congratulations to our Year 9 students, Chloe Glazebrook and Brodie Simpson, who graduated from the second **Paid Part Time Work** Program offered by the Tomorrow:Today Foundation this year. A total of 12 Benalla P-12 Students have now undertaken this work-readiness program in 2019.

At a ceremony held at Benalla Library, students were asked questions about what they had gained from the program. Sally Matheson, Education Benalla Program Manager, asked Brodie about what he had learnt from guest speakers such as Kyle Medley from 'The Personnel Group'. Brodie explained that he knew more about the importance of good presentation and how employers really take notice of this. Chloe also spoke about how the program helped her understand more about an employee's rights in the workplace. Both our students participated enthusiastically in the PPTW program and were excellent ambassadors for Benalla P-12 College.

### Year 8 Hut Building

On Tuesday 4<sup>th</sup> September the Year 8 Outdoors class visited Reef Hills State Park to practice their hut building skills in preparation for their Survival Camp. The students used the opportunity to work together and build on their knowledge of how to create a sturdy and protective hut. Student's huts were put to the water test, with few making it through.

### Year 8 Survival Camp

The Year 8 Outdoors class experienced beautiful weather for their overnight Survival Camp on Monday 17<sup>th</sup> September. Students were only allowed to take minimal clothing, food and equipment with them having to make their own shelter to sleep under.

On arrival students practiced their knot tying, and gathered essential firewood to last throughout the afternoon and evening. They then split into their tarp groups and the great task was underway to create the best, and most protective shelter. Each group approached their shelter differently and it was brilliant to see some creative and genius ideas arise.

With bleary eyes and hungry stomachs, the students warmed themselves up by the fire, whilst a big breakfast was cooked up for all to enjoy and celebrate surviving the night.

Students learnt the importance of making sure you are prepared and organised when in the outdoors. Their survival tips are to ensure you have the correct equipment and clothing, as well the skills to make a fire and shelter with limited resources.

### Year 9 Mount Samaria Hike

On Monday 10<sup>th</sup> September the year 9 outdoors classes headed off to Mount Samaria State Park to begin their hiking trip, with a focus being on the values and purpose of Parks within Victoria. The class started their hike from Spring Creek Sawmill on a very cool morning, they then walked to Back Creek Falls, allowing some time to explore the area. After some much needed lunch the group walked to their overnight campsite at Wild Dog Creek Falls. The group used the night to play some games against another school camping the night, and roasted marshmallows by the fire. Tuesday allowed the students to appreciate the beautiful area surrounding us, from the viewing platform at Wild Dog Creek Falls to the view from the Summit of Mount Samaria. The students developed their appreciation for the natural environment that we are so lucky to have access to, and furthered their understanding of the value of Parks in our country.

On the last day of Term 3 we had our awards assembly for the term. We celebrated and congratulated the many students that received certificates for having 100% attendance and also congratulated those students that had outstanding attendance which is attendance more than 90%. Every day counts and it is great to see many students following this mantra. We also passed out commendation certificates for each subject area and then awarded certificates to the students of the term. Congratulations to:

- Year 10 – Ebony Mathieson & Zoe Lefebvre-Thivillier
- Year 11 – Katheryn Gervasoni & Melanie Stretton
- Year 12 – Nick Neilson

## EVERY DAY COUNTS

The Year 12 students are quickly closing in on their last day, October 24<sup>th</sup> and are also closing in on their exams. It is a busy time of the year for our students and we wish them well with their studies.

The Kokoda students, staff and parent support participants have returned from a successful trek again this year. Congratulations to the following students, staff and parent participants.

**Students:** William Grundy, Evan Dowe, Zac Blyss, Ben Wheeler, Louis Chivers, Taylah Grubissa, Declan Chibnall, Stevan Sovacki, Kurtis Thurston, Tom Rial, Adam Walsh, Daniel Pullicino. **Parents:** Anthony Rial, Brian Walsh. **Staff:** Sheree Hubbard and James Carboon.

### Save the dates.....

The Year 10 & 11 presentation evening is being held on Wednesday December 12<sup>th</sup> at the Lakeside Community Centre starting at 6:30pm. All year 10 & 11 students and parents are encouraged to attend to celebrate student achievement.

The Year 12 Graduation evening is taking place at the BPAC on Tuesday December 18<sup>th</sup> starting at 7:00pm. All parents and guests are encouraged to be seated by 6:45pm for a 7:00pm start.

With the warmer months ahead all students are encouraged to wear sun protection when outdoors and use shaded areas where possible. Sun cream is available at school for students to access. Students are encouraged to stay hydrated by drinking water throughout the day.

We will continue to have high expectations about our uniform and expect all students to be in full school uniform. Support can be provided for this upon request.

The senior school building is taking shape and is on track to be finished by the end of the year and will be ready for use at the start of 2019.

## Every School Day Counts

Attend today, achieve for a lifetime!

### Every day counts, even when your child is anxious

#### Further Assistance with School Attendance.

Sometimes you may need assistance from professionals who can help anxious children. Discuss your concerns with relevant teachers or wellbeing staff at your child's campus. They can help address any school-based issues, refer your child to school counselling services and make recommendations about professional support.

Alternatively, you could seek support from your GP who can assist with a referral to a mental health professional such as a psychologist, psychiatrist or therapist. They can help your child overcome their anxiety using mindfulness, improve self-confidence and self-esteem and helping children change the way they think about difficult situations. During the school holidays, is the perfect time to put this strategy into place, so your child will get the assistance that they need.

**Help us to help you, please contact one of our Wellbeing team, Craig, Lou, Bron or Scott to assist with your child and their attendance.**

## YEAR 11 HEALTH AND HUMAN DEVELOPMENT – REAL CARE PROGRAM

The Unit 2 Health and Human Development class have just embarked on an experience that could change their lives. They get to find out what it would be like as a teenage parent.

Recently the students experienced what it might be like to be pregnant. In class each student took turns at wearing the Real Care Pregnancy Profile Simulator (Pregnant Belly Suit) for a small period of time. While wearing the suit many performed basic tasks such as sitting down on a chair, standing up from the ground and bending down to pick up an object off the ground. Some handled the tasks with ease and others found it somewhat challenging and comical.

The Real Care Program involves each student looking after an amazingly realistic infant simulator for a period of 4 days that offers learning by doing. It allows for students to gain a greater understanding of the roles and responsibilities of parenting and the needs of infants. Throughout the baby's care it requires feeding, burping, rocking and nappy changing. It also must not be dropped or shaken and the head must always be supported, just like a 'real' baby.

The program is intended to help students understand that:

- Each infant is unique and requires a great deal of love, time and attention
- Infants' demands are unpredictable but must be met promptly
- Parenting responsibilities impact one's lifestyle profoundly and should only be taken on by someone prepared for that responsibility

The Real Care Program fits into the curriculum nicely by covering the role of parent environment in determining optimal development of children and the physical, social, emotional and intellectual development that occurs throughout infancy. It also makes students conscious of the considerations that need to take place prior to having a baby and the responsibilities that come with parenting.

An experience that many of the students have already found to be eye opening.

*Nicole Lancaster wearing pregnancy profile simulator*

Benalla P-12 College would also like to thank Maddison Howard and her family for kindly donating a pre-loved pram and assort of baby clothes to the Health and Human Development Real Care Baby program. These will no doubt be used for many years to come and we appreciate the very kind donation.

## Guidelines for the Final Weeks of Year 12

The last formal day of Year 12 is Wednesday 24 October. Students are encouraged to continue to attend classes after this date until their exam. Teachers will be available to support students during this time.

### Beliefs

- All students should take the opportunity to complete their subjects
- All students should attempt their final exams unless there are extenuating circumstances
- All students should attend classes until October 24th
- Class time in the final weeks of all subjects is important for revision and outcome completion
- We have high expectations for all of our students

### Implementation

- Students in VCE, VET and VCAL classes are expected to attend school until October 24<sup>th</sup> 2018
- Classes are expected to involve meaningful work in preparation for the exams or completion of outcomes
- On a limited case by case basis, VCAL students who have completed their outcomes and competencies, and who have arranged formal work experience through the college, may be permitted to attend that work experience during the final weeks of classes. Any student who meets this requirement is strongly encouraged to sit exams for their VCE subjects. Parents/Guardians will need to be involved in the approval of these arrangements.

People involved in this process will be;

- ◇ Subject teachers
- ◇ Year Level Coordinator, Sub-School Leader and Assistant Principal
- ◇ Pathways coordinator
- ◇ Employers
- ◇ Parents/guardians
- ◇ Student

## Unit 4 Health and Human Development – What have the students have been studying?

This term the students have been learning about health and human development in a global context. As a part of their studies they look at the importance of the UN's Sustainable Development Goals (SDG's) and how effective aid programs can help achieve these goals by 2030.

Often women and girls in low-middle income countries spend their days missing out on school and paid work to help collect water for the family. This trek can often take hours over rugged conditions, often involving distances of around 6kms a day, with the return walk involving a minimum of 20 litres of

water being carried on their heads or backs. As you can imagine the effects on their health and development is significant.

Want to know more...download the 'SDG's in action' app and get involved in social action to make this world a better place.

**Vacation Care** – one again we had a very successful Vacation care program. The weather was wonderful and the children were able to enjoy many activities outside. A popular day was the petting animal farm, where we had a range of farm animals brought to the school for the children to hold and cuddle. What a great day!

#### **CHILD CARE SUBSIDY CCS– effective 2<sup>nd</sup> July 2018**

Just a note to families that due to the new CCS, we have been required to change our computer program which runs our school accounts. This program is called Xplor. Many families have created a password for this program, which can be used to check accounts and bookings. Families are also required to sign the Client Written Agreement (CWA), in the Xplor program, to confirm that your child is using the service and agree to the fees.

**Child Care Assessment** - The Department of Human Services has developed a set of instructions to help families with completing their online Child Care Subsidy assessment. These instructions are available on the Department of Human Services website **Please go to: <https://docs.education.gov.au/node/50681>**
