

# Benalla P-12 College Newsletter

**Dear Parents and Members of the School Community,**

## Whole School Assembly

Thankyou to all those parents who attended the assembly last week. This was an important event to farewell our Year 12 students and the tradition of being led in by the Foundation students was once again continued. Good luck to all those sitting exams over the next few weeks.

The assembly was also a time to acknowledge the work of our current school captains and to welcome and congratulate the new captains for 2019. Thankyou again to **Cameron, Alex, Jess and Samantha** for their work as school leaders this year. I have only known them for a short time but I have been incredibly impressed by their maturity, confidence and leadership.

The new student leaders for 2019 are **Willow Plex and Melanie Stretton** (Captains) and **Declan Chibnall and Tiahna Fox** (Vice-Captains). Congratulations to these students. I am very much looking forward to working with them next year.

## Kokoda Trip Feedback

As mentioned last week, our staff and students recently returned from a very challenging and successful trip to complete the Kokoda Track in Papua New Guinea. Upon their return I received an email from a member of the public who travelled with the group on a plane on the way home. This person was incredibly impressed with our students and the way they spoke about the trip and what they had gained from it. The person was also highly impressed by our College because we offer such amazing experiences to our students. Once again, congratulations to Mr. Carboon, Mrs. Hubbard and all the students who took up this fabulous opportunity and thankyou for representing our College in such a positive way.

## Year 9 School for Student Leadership

Six Year 8 students have been selected to attend the 'Alpine School' in Term Two next year. This involves a 9 week residential experience at a school near Marlo in Far East Gippsland. Like the Kokoda trip, it is also a great opportunity and I would like to congratulate the following students for applying and being selected:

- Georgia Nichols
- Maria Campbell
- Samantha Parker
- Harrison Drury
- Jack Gibson
- Jake Evans

## School Review

The fieldwork days for our review start this week and will move from campus to campus as follows:

Barkly – Thursday October 25<sup>th</sup>

Waller – Friday October 26<sup>th</sup>

Avon – Monday October 29<sup>th</sup> (until lunchtime)

Faithfull/Clarke – Monday afternoon and Tuesday October 30

There will be opportunities for parents to meet with the reviewer each day. Please keep an eye out for information about this from each campus directly.

## Student Free Day

Please remember that Monday November 5<sup>th</sup> is a student free day. No classes will run at any campus and students are not required to come to school. Childcare will be available on the day at either Waller or Avon.

Have a great week.

Tony Clark

### School Immunisation Program: Benalla P12 College

The second round of Year 7 school immunisations is being conducted at this school on **Friday 26 October 2018**.

The following vaccines will be offered on this day:

YEAR LEVEL	VACCINES OFFERED
YEAR 7 MALE & FEMALE STUDENTS	GARDASIL9 (HPV) DOSE 2 FINAL DOSE

These vaccinations are funded as part of the Victorian Secondary Schools Immunisation Program. Should your child miss out on starting their vaccination course this year they will not be eligible to receive them for free in subsequent years in the school program.

Consent cards should have already been signed and completed for these vaccinations earlier this year.

**Please ensure that your child is wearing their sports uniform or a short sleeve shirt on the vaccination day (without any long sleeved layers underneath), this will enable a smooth vaccination process.**

If your Year 7 child missed the first dose of vaccines please contact council's immunisation team on 1800 655 360 to obtain a consent card (if consent card previously not returned). Council can administer the first dose of vaccines at school if we have a signed consent card. To complete the vaccine course, students must attend a council immunisation session or their GP, 6 months after dose 1 was given.

If your child has been vaccinated elsewhere and you have not already done so, please notify council's immunisation team on 1800 655 360.

If you DO NOT wish for your child to receive any further vaccinations or if you have any enquiries about the program or your child's vaccinations, please contact Wodonga Council's Immunisation Team on 1800 655 360.

Last Friday, students in Year 1/2 at Avon Campus went to Melbourne Zoo to conclude their Amazing Animals unit work. It was a big day, leaving at 7am and returning to school at 6pm. At the Zoo, students and staff explored the different enclosures including Frogs and Reptiles, Australian Bush, Lion Gorge, Trail of the Elephants, Wild Sea, Gorilla Rainforest and Growing Wild. Students and Staff also took part in an Education Session with one of the zoo keepers having the opportunity to get up and close with a non-venomous snake and explore the sensory garden. The day was a great success and could not have been completed without the help of all our great volunteers who came along. A big thank you for all involved from the 1/2 team.

# HANDS ON LEARNING

The Year 5/6 Hands on Learning Students have now completed their eight, week music program, exploring how musical instruments work and then learning how play each of their creations. The program was organized by the Melbourne Recital Centre and a group of musicians called the Ad Lib Collection. Jesse, Hamish Thea and Jarrod worked with the Students to build wind, brass, string and percussion instruments using everyday materials like PVC pipe, tins, ply board and fishing line. The Students also gained skills in composing a percussion piece on their monster board at the shed as well as playing all together on bucket drums. On the last day of the program the students invited parents and family to come and share a pizza and show off their new skills. They have now been invited to visit the Melbourne Recital Centre in December to hear the musicians perform and visit the Botanic Gardens. This has certainly been an inspiring and engaging program for our rural school, and we look forward to our trip to the "big smoke" this term.

## Birchwood Open Garden Band Performance

A beautiful sunny Sunday and an amazing garden near Molyullah, created an amazing setting for our College's Stage Band to perform and entertain many garden enthusiasts from all over Victoria at the end of the school holidays. Congratulations on the work to all the Music Team, Staff and Students.

## 90% attendance is...

- Half a day missed every week!
- Nearly four whole weeks of lessons missed in a school year!
- Half a school year missed over five years!

The Year 12 Students had their last Whole school assembly last Wednesday. It was amazing to see the Foundation Students bringing in the Year 12 students for their last assembly. Their last day is October 24<sup>th</sup> and they have their English exam on the 31<sup>st</sup> October. We wish them well with their studies. It was also great to see the talent on show from the Music Department and the Dance area. Well done to all.

### Practice Exam:

On Wednesday last week the Year 12 English Students completed a practice English exam under exam conditions. This provided the students with a better understanding of the exam process and areas for improvement.

This term, we have been working with Year 12's closely and helping them prepare for life next year and beyond. We have students who have applied for University, students who have secured apprenticeships or full time work and students who are going onto vocational education and training. We wish them all the best and are here to support them as they transition to life beyond school. Students applying for University courses have been busy applying for internal and external scholarships. They now focus on preparing for their exams and we wish all our students the very best.

### Year 12 students - ATAR RELEASE INFORMATION

Your VCE study scores, ATAR and VTAC Scaled Study Scores will be available via the **Results and ATAR website** and the **Results and ATAR app**.

All current VCE students will receive a statement of VCE study scores from the VCAA. However, only students who have applied for courses through VTAC this year and have paid their VTAC processing fees will be sent an ATAR statement in the mail.

#### How to access your results online:

The VCE results and ATAR Service will be available from **7am, 14 December**.

To view your results online, log on to [resultsandatar.vic.edu.au](https://resultsandatar.vic.edu.au) using the instructions provided there.

Note: The Results and ATAR service log in details are different from your VTAC ID and PIN.

#### How to receive your ATAR using the VTAC app:

Students need to ensure they have the latest version of the app, which adds a "Login to your VTAC account" option on the main menu. Once you have logged in to your VTAC account from the app, you can use the "My ATAR" menu option to view your ATAR and contributing scaled study scores.

#### Changing your course preferences – student guide

It's easy to add or remove courses on your preference list. During specified periods you will be able to add, remove or re-order your course preferences in your course application.

You may also want to change your preferences if you have changed your mind about which course you most want to study, if a new course has become available and you would like to add it to your preference list, or if a course you had applied for has been cancelled and you want to replace it in your preference list.

There is no cost involved in changing your preferences. As long as you pay your course application processing fee, you can change your preferences as much as you like within the specified periods.

Change of preference is closed during each selection period (just before each offer round) but is open at all other times.

**A reminder that Year 12 student achievement portfolios are available to take home.**

## 2018 Guidelines for the Final Weeks of Year 12
