# Benalla P-12 College Newsletter

Dear Parents and Members of the School Community,

## Review

Today is the third day in our review fieldwork phase. The review team has visited Barkly and Waller Campuses and are at Avon today and Faithfull tomorrow. They have been meeting with staff, students and parents. Thankyou to those parents who have been involved in a focus group. We are getting lots of good information that will inform our future direction.

## State Athletics

Last week we had three students take part in the State Athletics finals at Lakeside Stadium in Albert Park. Alexandra Robinson, Megan Webster and Elliot McCallum were involved in a range of events on the day and should be extremely proud of themselves for achieving this level of competition. While none of them won their events, they all participated to the best of their ability and represented the school with pride.

## Student Free Day

Please remember that next Monday November 5<sup>th</sup> is a student free day for the whole college. Staff will be involved a range of professional development activities on the day at Faithfull Campus.

## Avon Street Renovations

The new classrooms are nearly done and look great and staff are eager to move into their new spaces. All Avon students will attend Waller Street this Thursday and Friday is an additional student free day at Avon Street only. This will allow staff to ensure their rooms are set up properly and allow a smooth start in the new building next Wednesday. This is very exciting for us and has been a long time coming.

## Swimming Program

Year 1/2 students from Avon and Waller have been taking part in swimming lessons at the YMCA for the past week. From what I have seen the students have been participating very well and learning lots of important lifelong skills about water safety. This is an excellent program and I congratulate our primary Phys Ed teacher Vanessa Neilson on organising all the lessons and transport.

## Year 12 Students

Congratulations to our Year 12 students on finishing their schooling last week and good luck to those sitting exams, starting with English this Wednesday.

## Primary Concerts

BPACC is the venue this year for our P-4 concerts and I know the students are very excited about performing on stage for everyone. Waller Street students will perform on Wednesday 7<sup>th</sup> November and Avon Street on Wednesday 14<sup>th</sup> November. Good luck to everyone in the final rehearsals and I look forward to seeing lots of parents and family members there.

Have a great week.  
Tony Clark  
Executive Principal

### GOOD ATTENDANCE FOR SUCCESS

## Every Minute in School Counts

We are now well into term 4. How has your child's attendance been so far? Has your child been attending every day? If they have, great news. If not, how many days have they been away? Have you noticed any patterns? Is it the same day each week? Remember, missing one day a fortnight is the same as missing 4 whole weeks of a school year. From Foundation to Year 12, it adds up to 1.5 years of not attending school. Being away one day a week is almost missing a whole term for a school year.

All staff at Benalla P-12 College want your child/ren to get a great education, and the building blocks for a great education begins with your child/ren coming to school each and every day. If your child misses school regularly, they miss out on learning the fundamental skills that will set them up for success in the later years of school.

Help us to help you, please contact Scott, Bron, Lou or Craig to assist with your child and their attendance.

## Green Thumbs at the Benalla Show!

Last weekend the Stephanie Alexander Kitchen Garden Program entered several exhibits in the horticultural section of this year's Benalla Show. Every item we entered into the show was produced, grown or cared for at school by the students of our kitchen garden program. The students have put in great effort and care into growing and tending to these vegetables, fruits and eggs in our school garden, and are deservedly proud of their results as can be seen below –

- 6 brown eggs produced at school – 2<sup>nd</sup> place
- Farm and home produce – cabbage – 2<sup>nd</sup> place
- Farm and home produce – mandarins – 2<sup>nd</sup> place
- Farm and home produce – herbs & vegetables – 2<sup>nd</sup> place

- Vegetables & herbs – silverbeet – 1<sup>st</sup> place
- Citrus selection – 1<sup>st</sup> place

Collection of vegetables grown at school – 1<sup>st</sup> place & Champion Exhibit Award  
With all our fantastic results we were also awarded the Aggregate Champion award.

Congratulations to all the students and staff.

## WMA Narratives

Students from WMA showcased their work at the Waller assembly this morning. The students took the time to show how they created their narratives from last term. They showed how they had planned each stage, then drafted that piece before they planned and drafted each of the other sections of the story. Next they showed how they printed these drafts off the computer so that they could revise their work and make improvements to their ideas by checking their word choice and the fluency of their sentences. Finally they published their stories after they tried to make sure there weren't too many spelling mistakes and that punctuation was all good!! Jody and Imogen both read the first pages of their stories so that they could demonstrate the 'voice' they had used to introduce their characters and they did an awesome job. The students are all super proud of what they have achieved, and so is Miss Gough!!

# 5/6 News

"On Tuesday 9<sup>th</sup> October, 5A and 5C went to Winton Wetlands to plant trees. We learnt how great planting trees is for the next generation! It felt like I was saving the area for the people after us, enabling them to live in a better environment.

Andy and Peter taught us how to plant the trees as well as helping us plant them. They also told about how we can save the environment by tree planting. We made a huge difference by planting more trees, which creates oxygen and a beautiful scene around us, when they grow.

I would recommend to go tree planting, because it isn't just helping yourself, it's about helping the people around you and the animals. Most importantly, if we don't have a good environment to live in you can't really live anywhere."

## Benalla P-12 College Community Program – "I want to hold your hand!"

Does that song ring a bell? Yes, the Beatles! At BPACC on Friday, October 19, 1pm to 3.00pm, the Senior Citizens of Benalla were invited to attend a free concert, the Rubber Soul Beatles Show. The theatre was packed and there were some very serious Beatles fans in attendance. The band played and sang, sounding exactly like the real Beatles, they even dressed and had hairdos just like the Fab Four. Benalla P-12 College Years 10 and 11 VET Dance students and twelve Year 9 Community Service students combined, and after only three rehearsals, put on an exciting rock and roll dance routine to the tune, "Twist and Shout", then danced among the crowd, and finally, got the audience on its feet. It was great to see everyone dancing in the aisles. Our dance troupe was then invited to join the band on stage.....with 'Paul' providing much encouragement and posing for photos with the students.

The students had been trained by Mrs. Melinda Pentreath (Mel-o-drama Studio, Benalla), who takes the Vet Dance class and the Year 9 Dance class at the College. Other College staff were Mrs. Christine Glynn, who assists Mrs. Pentreath, and Ms. Stefanie Arendshorst, who organised the event for the community and who is also a teacher at the College.

The teachers were very proud of the students and at the wild reception their routine received. Especially pleasing, were all the people who came up to the staff, at the venue or down the street later, wishing to thank Ms. Arendshorst for the event and to praise the students for their performance and enthusiasm.

This event was part of the many events and activities being organised for Senior Citizens during the month of October throughout Victoria. A huge thank you to Tracey Hooper and Jess Beaton from Community Health, and Benalla Bus Lines for sponsoring the transport, and the students involved for their commitment to the community program  
By C. Glynn.

*Students were: Maxine Buckley, Caitlin Chibnall, Chloe Glazebrook, Sara Green, Sienna Herbert, Chanelle Lober, Hannah Moncrieff, Hayley Montgomery, Destiny Russell, Lana Sovacki, Taylyn Symes, Meagan Webster, Ellie Culhane, Khesanh Saunders,*

Pictured above are Year 5/6 students line dancing as part of 5/6 sport this term. Chris and Barb from Benalla Rock n Roll are teaching them to line dance.

Congratulations to Katherine and Jessie Gervasoni who competed at the RASV Melbourne show during the holidays. Kather came first and Jessie second in the Wee Willie trophy. Jessie came second and Katherine third in the Denzildon trophy.

## White Ribbon Day March, Thursday November 22<sup>nd</sup>

On Thursday, November 22<sup>nd</sup> November, students and staff at Benalla P-12 College will again march to support the elimination of violence against women. The March brings awareness of the need to speak out to support this cause. We are proud of our involvement in bringing awareness and supporting women. The picture to the right is last year's March.

## LBGTI Social Support Group

At Benalla P-12 College we are looking to set up a fun and informative LBGTI social support group which will meet on a regular basis and provide a safe space for young people to be themselves, meet people, get involved in community activities and events and occasionally hear from guest speakers plus much more.

The group welcomes same sex attracted, intersex, transgender and gender diverse young people as well as their friends and peers.

If you are interested in having your say and getting involved in the set-up of this support group please contact Craig Carley (Barkly campus) or Lou McCloskey (Faithfull campus) for more information. We will be meeting on Thursday 15<sup>th</sup> November 2018 at 9:30am in the Faithfull Library.

### State Track and Field

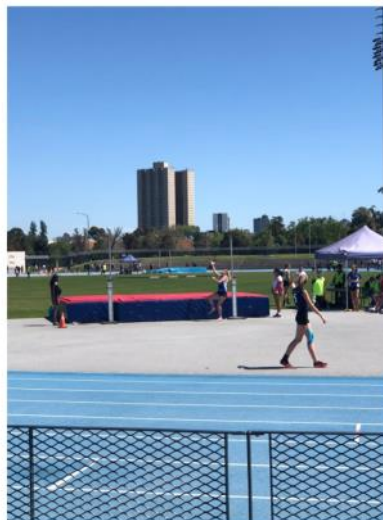

After the success at Hume Region Athletics three students made their way to compete at the State Finals at Lakeside Stadium in Albert Park, Melbourne. The sun was shining and the competition was fierce, students from each corner of the State were there, to give it their all, hoping to walk away with a medal.

Alexandra Robinson, competed in Triple Jump and came 6<sup>th</sup>. She continued to try and improve on her jump which unfortunately, she was not able to do. She was excited to come to State Finals and compete in her last chance for Benalla P-12 College.

Meagan Webster finished 4<sup>th</sup> in High Jump just missing out on a medal placing by one clear jump. She jumped a personal best to reach this position and was pleased with her efforts.

Elliot McCallum competed in four events for the day and walked away with two medals. Elliot showed improvement in his two field events with each attempt. He finished 7<sup>th</sup> in Shot Put and 4<sup>th</sup> in Long Jump. Where Elliot soared was in the track events in the 100m and 200m. He finished second in both of the events, claiming medals.

All three students were proud of their efforts on the day. To compete at this level is a huge achievement, with fantastic results for Benalla P-12 College and the individual students.
