RESPECT RESPONSIBILITY HIGH EXPECTATIONS INTEGRITY

Benalla P-12 College Newsletter

Dear Parents and Members of the School Community,

Bye Bye Barkly

Last Friday, marked the final day of 'normal' classes at the Barkly Campus of Benalla P-12 College. This site and the buildings obviously have a long history and an important story to tell about education in Benalla and there probably many parents and grandparents of current students who completed some part of their schooling there. From what have read, it was 1914 when Benalla High School moved into it's new buildings in Barkly Street. Over the years, there have been additions, extensions, refurbishments separations and amalgamations. I am sure there must have been tens of thousands of students who have been through some part of their secondary schooling on that site and probably thousands of staff. Each of them has been part of a strong history and culture of education in Benalla, and it is a great time to stop and reflect on everything that has happened over a long period of time.

In 2019, the Flexible Learning Centre, run by Wodonga Senior Secondary College, will remain on the site, as will the North East Region CASES Training Centre. As for the rest, it is unknown. There are seven titles on the site and it will be complicated to untangle that and dispose of it all. There have been some enquiries about future community use of the ECA Centre, but the future of this building is unclear.

Staffing

Parents would have received a letter recently with the booklist information about class and year level structures for 2019. We have almost completed our staff recruitment for 2019 and will be in a position to announce Primary Teacher allocations on Statewide Transition Day. Secondary students will have found out their teachers today during Headstart.

Attendance

As the year draws to a close, we review many aspects of our performance, including student attendance data.

So far this year 49% of our primary students have had less than 10 days absence for the whole year, which is very good. The bad news is that 17% of our primary students have missed more than 20 days this year.

In secondary, 34% of students had less than 10 days absence this year, while 39% missed more than 20 days. This is a lot of school missed and can only have a negative impact on learning.

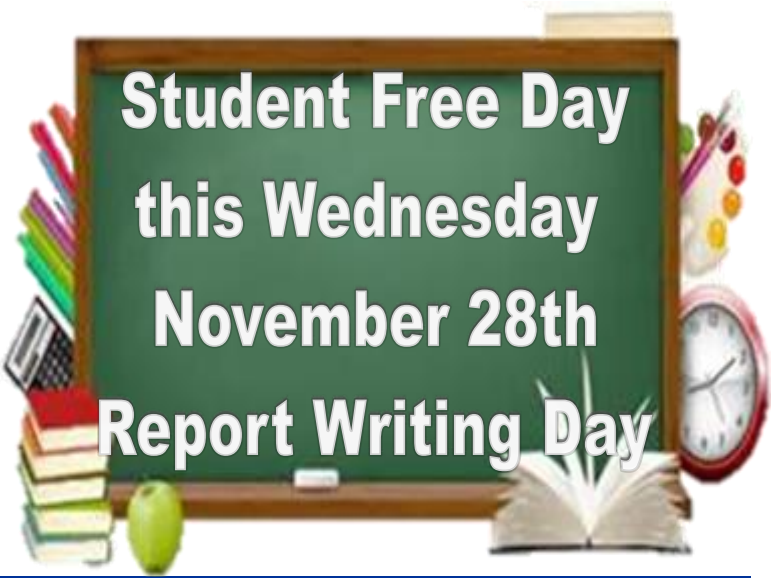
Please do everything you can to ensure your child attends school every day, and continue to support us in our efforts to improve attendance for all children.

Kool Skools

Congratulations to Year 9 student Sara Green for being asked to perform at the inaugural Kool Skools awards night in Melbourne last weekend. Sara performed her original song, 'Invisible Girl', accompanied by one of our music staff, Rolf Koren. This is an incredible achievement for Sara to perform and be recognised at such a high level.

Report Writing Day

Please remember this Wednesday November 28th is a student free day. This is a report writing day for all staff. Childcare will be available at Waller Street for the whole day.



Have a great week.

Why every day counts

Has your child been attending every day? The end of the term and year is near and **students are still required at school every day**. Is your child giving you excuses for why they don't need to be at school, for example, we are not doing anything in class now as we have finished all our work, we are just watching movies, the teacher told us that we don't have to attend class, etc, etc. If this is the type of thing you are hearing from your child, then please don't hesitate to contact their teacher or one of our student wellbeing team members from the Campus that they attend.

All staff at Benalla P-12 College want your child/ren to get a great education, and the building blocks for a great education begins with your child/ren coming to school each and every day. If your child misses school regularly, they miss out on learning the fundamental skills that will set them up for success in the later years of school.

Help us to help you, please contact Scott, Bron, Lou or Craig to assist in achieving your new attendance goal.

Drought Relief Fundraiser

Last Tuesday afternoon, students from F-4 dressed up in their best farm clothes and raised money to help drought affected farmers. Scott and the parents club cooked hundreds of sausages to help with the fund raising also. We were able to raise a whopping $518.35. After lunch the Student Leadership Group (SLG) organised an afternoon of fun activities all based around farming and rural life. There was horse shoe throwing, bobbing for apples, hay bale hurdles, rounding up the sheep tag and pin the tail on the pig. Everyone had a great time and thankfully, the rain came shortly after we had finished.

Thanks to everyone who donated to this worthy cause

Students of the Week

Spring Harvest Festival

Last Friday, all the Year 3 & 4 students from the Waller and Avon St campuses hosted their annual Stephanie Alexander Kitchen Garden Program Spring Harvest Festival. The festival was an opportunity for the students of the Stephanie Alexander Kitchen Garden program to showcase the activities, skills and products of their hard work in both the kitchen and the garden.

Our school yard and garden was incredibly busy with students' invited guests as well as many guests from the wider community, including: the Mayor and local councillors, representatives from Tomorrow Today, Benalla Health and Benalla Garden Club.

During the Spring Harvest Festival, some of our students were presented with awards for their work in both the garden and the kitchen. Our students then took our guests on guided tours through the kitchen and the garden. After a walk through the kitchen and garden, our visitors were invited to enjoy a delicious morning tea that was prepared, cooked and served by our Year 3/4 students.

All our Year 3/4 students did an amazing job hosting all our guests and should be very proud of all their achievements in both the kitchen and garden.

Year 9 Dance

I am extremely proud of my Year 9 Dance students who presented at their end of year performance last Thursday. They have worked very hard during this semester and had the opportunity to learn and experience many different genres. Students helped develop the choreography and choose the music for their dance piece. Songs included: Twist & Shout, Finesse, Thriller finishing off with You're the one that I want… A big thank you to students and teachers that came over to support the students. A special mention to Bron Greig bringing students from Waller Campus who had the opportunity to have a quick dance lesson and perform with the Year 9's. We are building good relationships for our students into the future.
Congratulations on an awesome performance ☺

VET Dance

It has been a privilege to work with these amazing VET Dance students in our founding year here at the College. Thank you for your dedication and commitment you put in week after week. The students have covered many topics learning about skeletal & muscular systems of a dancers body: developing choreography; Safe dance practises; Jazz & Hip Hop Techniques; Team building; Stage & theatre knowledge. One of the highlights this year was seeing them work and perform with the year 9's in the community program. They got to dance at BPACC with renowned Beatles cover band "Rubber Soul". A very special mention must go to Christine Glynn for being my right hand woman. You have worked hard to keep us all in check on this great journey. I would like to wish all Students the very best moving forward with your dancing
Students have their end of year performance at BPACC on Saturday 1st December at 1pm & 6pm.

Year 9 Formal

"On Friday the 16th of November year nine students and staff celebrated a successful year of school with the year nine formal. The night was a big hit with students dressed to the nines (pun intended) and carving it up on the dance floor. Dance competitions were held including musical chairs, limbo and a dance off. Student from Mel's Year Nine dance class also performed their routines throughout the night.

The night was thoroughly enjoyed by all. Thank you to the dedicated students and staff who made it all possible".

Construction Induction Card Course

Congratulations to our fifteen students who successfully completed their Construction Induction Card qualification last week. This full day course was conducted by Ben Haynes from GOTAFE.

This course includes:

- the legal health and safety regulations of construction work
- construction hazards and risk control measures
- health and safety communication and reporting processes
- incident and emergency response procedures

Students require this card if they are seeking work experience or a School Based Apprenticeship in the Construction Industry. This includes building, plumbing or electrical work. The course also provides students with an advanced knowledge of occupational health and safety in other industries.

Thank you to the Tomorrow :Today Foundation who assisted with funding for this course. Also thanks to Doris Arendt (Geared 4 Careers) who helped students to complete the application process and supported their participation on the day.

All our students participated enthusiastically in the coursework conducted at Benalla GOTAFE and were excellent representatives of Benalla P-12 College.

Year 8 Outdoors

On Tuesday 20th November the Year 8 Outdoors class put their theory into practice. The class had planned to canoe at Lake Nillahcootie, however unfavourable weather forecasted for the afternoon saw the trip moved to Lake Benalla in order for the class to safely participate. Students found it difficult at first working in tandem padding the canoes, but it was brilliant to see students working together and communicating in order to effectively steer the canoes. The class spent the day practicing their strokes, conducting T-rescues on those that fell out, exploring up the Broken River and putting their strokes to the test with many obstacles up the river that they had to go around, over or under.

Due to the inclement weather our students were not able to march but we were able have arrange for a representative gr4oup to attend the formal talk and speeches held in the drill hall. Jason Lang (past student) and Cameron Holmes ran the event and were brilliant at doing so. Both young men spoke confidently and demonstrated real passion for the cause. Well done Jason and Cameron.
