RESPECT RESPONSIBILITY HIGH EXPECTATIONS INTEGRITY

# Benalla P-12 College Newsletter

Executive Principal-Tony Clark

## Dear Parents and Members of the School Community,

The last meeting of School Council is tonight. I would like to take this opportunity to thank all the members of council for their work throughout the year. It is a big commitment to take on a role on School Council but it is certainly a valuable one. Elections will come up again in March 2019 and I would encourage any parent to get involved by nominating.

Thank you to parents Michael Plex, Leanne Lefebvre, Melissa Rowland-Williams, Stacey Hall, Tiffany Heatherill, Amanda Sams, Melissa Quilliam; Community representatives Pat Claridge and Bernie Hearn; student reps Cameron Holmes and Sarah Neilson and staff James Carboon, Anne Hansen, Alison Schneider and Hamish McPherson.

## EWB Challenge

Well done to Lianna Ramage and the Year 9 students who went to Melbourne last week to take part in the Engineers Without Borders activity. Edward Mentiplay-Smith, Zoe Lefebvre-Thivillier, Perry Plex, Andre McLean-Frankling and Ankur Singh all made the most of a wonderful opportunity to participate in this activity. Read the detailed report in the newsletter, with photos of the students.

## Grade 5/6 and Year 7-9 Presentation Evening.

Last week, there were two highly successful presentation evenings at the Lakeside Community Centre. These were very well organised by Emily Carr and Sangeeta Vashishta and their respective teams, and were a wonderful opportunity to recognise the many students who work hard and achieve at a very high level. It was great to see so many parents in attendance, and the community support for awards from Marangan Lodge and Ray White Real Estate means a lot for our students. As usual, the event was well supported by the band and music staff, with another amazing solo performance from Sarah Green. Well done to all the students who received awards, and a special thankyou to Ankur Singh and Andre McLean-Frankling for doing an outstanding job of hosting the evening.

The Year 10/11 Presentation evening is this Wednesday at 6.30pm.

## Statewide Transition Day

Tomorrow is transition day for all new Foundation and Year 6 students in Victoria. All of our students from Foundation to Year 6 will step up a year level tomorrow, and meet their new teachers and classmates. This is an exciting time for everyone, and will help set students up for success in their learning next year. As mentioned previously, we do our best to place students with friends and to take into account parent requests, however this is not always possible. All children will be guaranteed a teacher who is professional and will do everything they can to support your child.

## Carols by Candlelight

This Sunday at the Benalla Gardens, the College will have a band playing some Christmas songs. This should be a great event and it would be good to see as many people there as possible.

Have a great week.

## Why every day counts

How have you gone with your child's attendance this term? Has your child attended every day from the first bell to the last bell of the day? Did your child have regular days off each week? Was your child late most days? Did it become an all out fight to get your child to school? If yes, then this is the perfect time to catch up with one of our student wellbeing staff members who can assist and support you with getting your child back on track for next year. Support can be offered whatever the issue is.

This is the time for you to plan for a brand new start for 2019. What are your new goals? Maybe your goal could be your child having a higher attendance for term 1 next year than term 4 this year? Whatever the goal, we wish you all the best and if you are needing help to achieve your goal with your child attending school every day for 2019, then please don't hesitate to contact one of our student wellbeing team members

**Help us to help you, please contact Scott, Bron, Lou or Craig to assist in achieving your new attendance goal.**

# Kids in the Kitchen!

Finally, after months of renovations the Year 3 students get to cook in the new Avon Street kitchen.

Choc Chip cookies were on the menu as small gifts for our new Foundation buddies.

*On Tuesday 4th December, was the day that the Year 3 students met their new Prep buddies. Before we met we wrote them a letter, we told them our name, year level, things we like and things about school and our family.*

*While some of us did the letters, some went into the kitchen to make cookies for our buddies, Nardia did one group and Mrs Hanson did the other. Each person got to put one ingredient in and roll them in a ball, then Nardia and Mrs Hansen squashed down the ball, then we changed over. Then we went to see our new buddies and went back to class to finish our letters.*

## Top Tips to Keep Kids Reading Over the Holidays and STOP the Decline in Reading.

It comes as no surprise that children love school holidays! Being free of the restraints of going to school every day and being able to relax is a valuable part of growing up. The regular reading that is a part of many children's school day suddenly comes to an end, as there are far more interesting things to do on holidays than read a book, right? **Research clearly shows that when kids put down take home books from school on their holiday break, their reading ability also drops with it.** The term "summer slide" is well established in the United States and refers to children dropping in their reading ability following a lack of reading over the summer break. Teachers in Australia also report that students return to school after their break with a lower reading level and interest in books, than before the holidays. Therefore it's vital that we continue to encourage our children to read widely and often whilst they are on holidays.

Here are some top tips to make sure your kids stay engaged with reading over the school break.

1. Make reading time fun and quick. Ten minutes a day is great!
2. Visit bookstores and the local library. REDB4 next to Hide's Bakery have second hand books.
3. Use online books, such as <https://www.oxfordowl.co.uk/for-home/advice-for-parents/reading-at-home/>  
Online subscriptions such as National Geographic Kids
4. Join the Scholastic Summer Reading Challenge <http://www.scholastic.com.au/summer>
5. Allow children to choose what they want to read, fiction/narrative or nonfiction/information books.
6. Have a 'screen free night' each week. Read books instead!
7. Give books as gifts. Big W are the biggest company that buy books in Australia. Their prices are terrific and book sets are much cheaper.
8. Read together using supportive strategies-

When you are reading together with your child, it's a great idea to give them the option of how they would like to read. Provide the opportunity for children to choose whether they would like to read aloud or silently. Check if they would like to try paired reading if they feel like they need extra support with the book.

When your child comes to a word that they don't know or aren't sure of, remember to:

**Wait:** Give your child a chance to figure out the word on their own, using strategies they have been using at school.

**Ask:** Does that make sense? Does that look right? Does the picture give you a clue? Could you read on for more information?

**Then skip:** if the child is still stuck on the word, ask them to skip it and read on. The reread the sentence again. You can always drop that word into the conversation as you turn the page. This has the added advantage of not making the child wrong!

**Working with your child to maintain good reading habits over their school break allows you to not only establish your family as active readers, but will give them the best possible start for when they return to school.**

**CHILL OUT AND READ**

**SCHOLASTIC SUMMER READING CHALLENGE**

**HOME | TEACHERS AND PARENTS | ENTER THE DRAW**

**By reading 10+ minutes a day, kids can avoid the "Summer Slide" and maintain or advance reading gains.**

Keep the reading momentum rolling with the Scholastic Summer Reading Challenge! Choose your challenge, have fun reading and enter the draw to win cool prizes.

30 student entries will be drawn to win a **SUMMER FUN PRIZE PACK** each worth over \$200! Competition opens on 1 December 2018 and closes 31 January 2019.

## Students of the Week

Congratulations to our above Students of the week. Back: Ebony, Amy, Charlie, Jacinta (on behalf of 1/2 Spencer), Oliver, Chelsey  
front: Laura, Holly, Tori, Kyle

## Poetry at Waller

Students in 1/2 have been creating a poetry anthology this term. Students were required to write and publish a range of Haiku, shape poems and free verse. They also had to critique and respond to other student's poems. This week students will have the opportunity to invite family and friends for their poetry reading. Students are excited and have been practicing to ensure they are fluent readers of poetry. Each student has worked very hard. They are pictured holding their favourite poems.

Congratulations Marli and Amy on receiving an award from Paula for being involved in the parade.

## Waller Street Parents & Friends Christmas Raffle

Tickets have been distributed to Waller street families. The cost is \$1.00 per ticket. Fabulous giant hampers are available to win, but "you have to be in it to win it"

Hampers will be drawn at the Waller Street Christmas Basket Tea Wednesday 19th December.

Please return sold/unsold tickets and money in the zip lock bag provide to the office by Tuesday 18th December.

Thank you to our amazing families and students for your ongoing support.

The Waller St Campus Annual Christmas Basket Tea and Carols evening will be held on **Wednesday 19 December 2018** from **5.00pm - 6.30pm** at Waller St under the trees at the front of the school.

Families are invited to bring along a basket tea or take-away, celebrate the festive season and the end of the 2018 school year.

The winners of the Christmas Hamper Raffle's will also be drawn.

**Everyone welcome and just a reminder NO BYO ALCOHOL.**

# HANDS ON LEARNING

designed to look like the inside of a violin case with big red sofas and multi layered timber ceiling. The concert hall is actually a box that sits on many large springs that help dampen any outside noises. We went down to the substation where all the back stage is organized.

After this the students were set the task of producing, composing and performing a musical percussion piece for a small audience. The instruments were made from vacuum cleaner hose, a balloon and a small bit of pipe. This created a sound a bit like a didgeridoo, although some decided to whirl it, scrap it and bang it to get a whole range of sounds. Another group worked as the production team, setting up the stage, liaising with the performers, lighting and of course the AV Technician. The composers worked away in another place deciding on the sounds, the order, speed and rhythm that they would play them in. This was all written up on a poster so that the percussionists could read and play the music.

A great effort by everyone involved and an amazing day out.

## A morning visit to Clarke St Campus

On Tuesday 4<sup>th</sup> December, all Year 4 students from both Avon St and Waller St Campus, came together as part of their transition to Clarke St Campus. The students assembled in Bu Perry's room and were able to meet Year 5-12 Campus Principal, Reno Lia, as well as Year 5-6 Leader Emily Carr. After that the students heard accounts from current Year 5 students about their experiences in the Year 5-6 Hub. Students were then placed into 3 groups and worked with Bu Perry, Bu Brown, Miss Lepoidevin, Pak Major, Miss Carr and Mrs Schneider. They played get to know you games, and made treasure boxes about themselves so that their class mates and teachers understand more about them. The Year 4's settled in particularly well, and it was wonderful to see the Year 4's from Avon and Waller St making new friends. We are certainly looking forward to the Statewide Transition Day on Tuesday 11<sup>th</sup> December as the Year 4's will spend a whole day at Clarke St. The students who visited definitely displayed respect, integrity, high expectations and responsibility. Well done !!

*On Tuesday 4th December, the Year 4's went to the 5/6 Hub at Clark Street for transition. We found out our classrooms but they may change. Mr Major will be moving from Avon Street to Clark Street to be a Year 5 teacher. First, we got a piece of paper and we had to complete a survey with each other, so that we could get to know each other. Then, we got to design our Readers Workshop book and we glued this into our book. Then, we had recess and sadly it was time to go.*

*By Sharna*

*"I felt a little nervous at the time but it's just like our school and I even got to see my friends from last year. They made me feel like I belong here. I really like my teacher for next year."* Callum

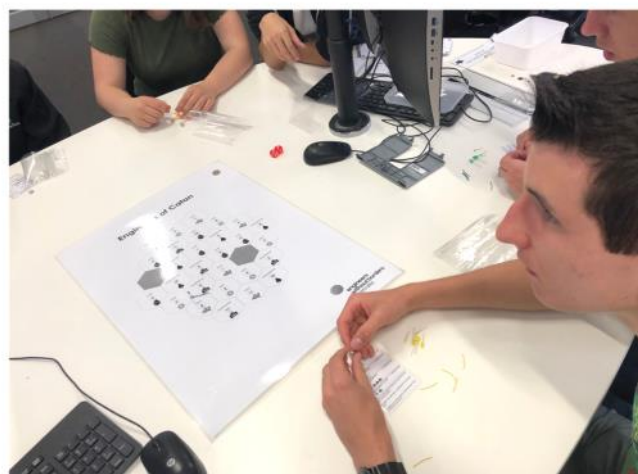

*"At transition we walked over to Clarke Street. We did some colouring and got to know the school properly and the teacher we were with, might be the teacher that we have next year."* David

## EWB Innovation Challenge

On Tuesday 27<sup>th</sup> November Edward Mentiplay-Smith, Zoe Leferbre-Thivillier, Perry Plex, Andre McLean-Frankling and Ankur Singh travelled to Melbourne to participate in the Engineers Without Borders High School Innovation Challenge. This program is conducted by volunteers from the university community. It gives high school students the opportunity to participate in STEM based activities while also building their ability to work with other students from schools around Victoria. The challenge the students were required to complete, was to design a town that met the needs of 10 000 people and was environmentally sustainable. Each group then had to present their design back to all other students, as well as a panel of judges who are all industry professionals. All five students did a fantastic job over the three days and should be commended on their effort. Perry Plex's group ended up winning the Innovation Challenge.

### Years 10 & 11 Presentation Night

**All students and families** are encouraged to attend our Presentation Night on Wednesday 12<sup>th</sup> December. The evening will be held at the Lakeside Community Centre (Glass House) and commence at 6.30PM. A range of awards and scholarships will be presented on the evening. Light refreshments provided.

In the lead up to the 2019 school year, all travellers wishing to access School Bus Program services, are required to login to the School Bus Management System and submit their travel applications.

The school wishes to stress to parents that safety is our number one priority. If your child is not registered and is still travelling on a bus, then the School Bus Management System and our school records will not have them listed to catch the bus. In the event of an incident or a need to stop the bus, we will not know that firstly your child is on the bus and will not know to contact you.

To login to the School Bus Management System, please go to <https://schoolbusapplication.ptv.vic.gov.au>.

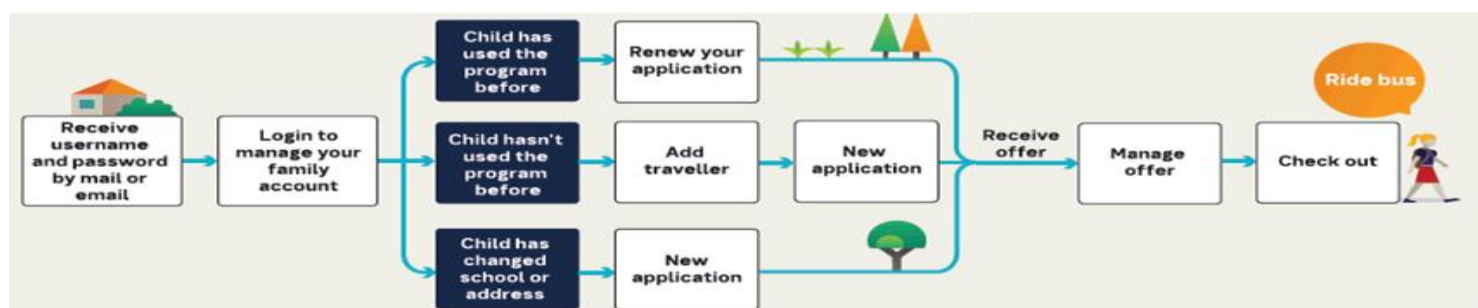

## Existing Travellers

These are students who already travel on the school bus and are registered on the School Bus Management System. If your child requires continued travel on the school bus, then you must submit a 2019 travel application.

The chart below will help families already registered on the School Bus Management System to:

- Renew Applications - If your child is already travelling and needs continued school bus access and has not changed school or home address
- Add Travellers and New Application - If you are already registered on the School Bus Management System, but have a child accessing a bus for the first time
- New Application - If your child is already travelling but has changed school or home address.

For your convenience, please see chart below to help with the process.

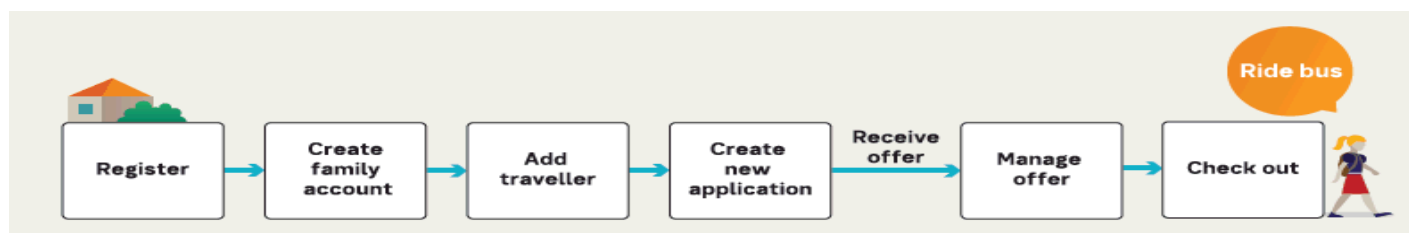

*Diagram 1 - Existing Travellers*

## New Families

All new families seeking access to School Bus Program services for the first time will need to register on the School Bus Management System. Please go to <https://schoolbusapplication.ptv.vic.gov.au>.

Once registered, families will be able to add travellers and submit travel applications online.

For your convenience, please see the chart below to help you with the registration and application process.

## When Can You Submit My Child's 2019 Application?

Now. The School Bus Management System is accepting 2019 applications now.

## When Will You Receive A Travel Offer?

The School Bus Management System will process all 2019 travel applications at the end of November 2018.

## What's Next?

When you receive your child's travel offer, login to the School Bus Management System and manage your child's offer. This completes the process.

## Need Assistance?

In the event families need assistance, please contact Public Transport Victoria's Call Centre on 1800 800 007.
