A MESSAGE FROM OUR PRINCIPAL

Dear Parents and College Community Members,

Welcome back to all families for the start of the 2019 school year and a very special welcome to all students and families who are new to our College. We have had 56 new Prep students start as well as a number of new students across different grades and year levels all the way up to Year 12. Welcome to everyone and I hope you have had a positive start to 2019.

It is very pleasing to see the number of students wearing full uniform and being at school on time ready to learn. We do have very high expectations of all students to wear the correct college uniform and to be at school each and every day. We want everyone to take pride in their appearance and the college and wearing full uniform helps us do that.

Whole School Assembly

Thankyou to all those family members who attended our assembly at the Faithfull Stadium last week. It was wonderful to be able to continue the tradition of the Year 12 students walking in with the new Preps. This year the Preps were presented with their own personalised hat. I would also like to congratulate the various campus leaders who were presented with their badges at the assembly. It is always nice to see students who are prepared to take on a leadership role and we have many students ready and willing to do so. Our College Captains – Willow Plex, Mel Stretton, Declan Chibnall and Tiahna Fox all did a great job of running the assembly and are already showing why they were selected for the role with their positive behaviours, attitudes and work ethic.

New Senior Building

Our Year 10-12 students are all at the Faithfull site now and no classes are held at Barkly. Staff and students have been using the new senior building over the past week and it is fantastic to see classes being held in the new rooms. The building is complete – inside and out – and looks brilliant.

Save the Date

There will be an official opening of the senior building and the trade building on Wednesday March 27th. All Benalla P-12 College families will be invited and we would love to see as many people there as possible to show off our new facilities. The opening ceremony will take place at 4.30pm and there will be an opportunity to look around the new buildings as well as some other exciting developments we have had at Faithfull.

Breakfast Club is every day on the Waller Campus.

Breakfast is served from Monday through to Friday morning, from **8:30 to 8:50am** in the Stephanie Alexander Kitchen. Parents can also pop in for a Latte or a cup of tea.

What you may not realise is that in this time in the morning, our children make new friends, share stories, make plans, laugh a lot, help others, learn life skills like washing and drying dishes, practice their social skills by being polite and courteous to others and put leadership skills into practice to name a few. Best of all, our children get to start to the day with a smile on their face even if they have already had breakfast at home. It's not just about having breakfast, it's a meeting place for making a great start to the day.

If you are wanting to volunteer for the Breakfast Program, please call Bron on 5762 2600.

SENIOR SCHOOL NEWS

It has been an exciting start to the school year for our Year 10, 11 and 12 students with the move into the new Senior School Building. We are lucky to have such a beautiful new learning environment and all students are treating the rooms with respect.

At a Senior School Assembly on the first day I outlined our focus for the year – to take maximum advantage of all learning opportunities so we all achieve our highest academic potential. To do this, we need to attend school every day. We need to go to all classes and actively participate in all activities. We need to accept feedback and

continuously strive to improve in our learning. We also need to be resilient in our learning – this means we need to practice and persist when we find things difficult to understand or learn. These are the messages we will be giving students throughout the year. -Jo Martin

BENALLA P-12 COLLEGE HITS REGION FOR SIX IN SENIOR BOYS CRICKET

Tuesday 5th February saw Benalla P-12 College send out their first sporting team for 2019.

Bound for Seymour, the senior boys cricket team travelled down the Hume Highway to tackle both Seymour Secondary and Euroa Secondary in two Twenty-20 formatted cricket matches. Game 1 started with Co-captains James (Jimma) Arendt and Adam Walsh correctly calling "Flats" at the bat toss and opted to take on the Seymour attack. Seymour were able to capitalize early with a brilliant piece of fielding which saw co-captain Walsh on his way back to the pavilion for just 1 run. Over the next 10 overs the run rate dwindled along as batting appeared more difficult than initially anticipated. At 6 – 77 the Benalla total was looking rather slim and batting stocks were depleting fast. This certainly wasn't helped as Benalla slumped to 9 – 85 with wickets falling in succession. Number 7 bat, Louis Chivers, was able to hold his nerve and remain the not out batsman to guide Benalla to a total of 10 – 92.

The change of innings saw Brady Purcell and Jimma Arendt bowl well in tandem with Purcell getting the ball to move sideways through the air and Jimma delivering some well-directed chin music which saw the Seymour batsmen dancing around like a duck on a hotplate, both boys picking a couple wickets each. Adam Walsh channelled his inner Glen McGrath and peppered the corridor of uncertainty and was able to pick up a couple of scalps. Bailey "Baz" Moorfoot proved his worth and bowled well without luck as Kieren Linke was also able to pick up a wicket. Benalla taking out the first match by 25 runs, Luke Dunne top scoring (18) and Adam Walsh with three wickets

In game 2 things didn't start the way Benalla were hoping as previous top scorer Luke Dunne missed an absolute four 'n' twenty pie to be bowled second ball for a duck. Co-captain Adam Walsh took to the crease in a suit and with business in his hands smacking a rapid 45 runs including 6 boundaries and 1 six, he was supported well by all-rounder Brady Purcell. Walsh was eventually caught in the deep and this brought in Josh "sunny" Hyland. Facing a pair of ducks, he launched his first ball out of Kings Park for a towering six. He and Purcell both contributing with 18 runs apiece as Benalla closed the innings with a score of 8 – 112. Benalla got off to a handy start in the opposing innings with Brady Purcell getting one to swing harder than the 1960s trapping Euroa's opening bat in front for LBW sending the young man on his way back to the pavilion. Euroa's 2nd and 3rd batsmen put on a steady 40 run partnership putting the pressure back on Benalla. Kieren Linke finally making the breakthrough picking up both batsmen and eventually grabbing himself a 3 wicket haul. Purcell was again impressive with the ball contributing with figures of 4 – 18. Baz Moorfoot also chipping in with a wicket as Euroa were bowled out for 95, Benalla winning the match by 17 runs sending them through to the next round on March 7th.
