Dear Parent/Guardian,

Benalla P-12 College is looking forward to another great year of teaching and learning and would like to advise you of the college's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all you support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to:

- Offer a wide range of subjects and curriculum experiences across all year levels
- Breakfast Program
- Wellbeing and Social & Emotional Programs
- Upgrade and purchase of additional IT devices
- Refurbishment of school buildings including painting and carpeting

Please find attached Benalla P-12 College's voluntary financial contributions schedule for 2022, which includes an overview of what your contributions will contribute towards.

Department of Education guidelines now mandate that schools are unable to provide parents with a statement of fees. With this in mind, parents are asked to please review the recommended voluntary financial contributions schedule attached for an indication of contributions for your child/children.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Anthony Clark  
Principal

Geoffrey Patterson  
School Council President
